

Detroit News Blackout Bad For Politicians

DETROIT (AP) — Rep. Neil Staebler's bid to oust Republican Gov. George Romney in November is being seriously hampered by Detroit's 74-day old newspaper strike, Democratic State Chairman Zolton Ferency said Thursday.

Ferency and his Republican counterpart, Arthur Elliott, discussed political consequences of the strike at a meeting of Sigma Delta Chi fraternity.

Both party leaders told their audience of veteran newsmen the absence of intensive, campaign-trail news coverage is too great a loss to be offset.

Ferency said Staebler is less familiar to voters than the colorful Romney, and the absence of the idled afternoon Detroit News and morning Detroit Free Press is keeping him that way.

Coverage Missed

"We sure do miss that side-by-side, column-by-column coverage," Ferency said.

Perhaps ironically, Romney has been active in recent attempts to end the strike, which began July 13 when Pressmen's Local 13 and Plate and Paper Handlers Local 10 rejected contract offers and set up picket lines.

Ferency said Michigan Democrats are attempting to offset part of the damage by an intensified voter registration drive and a stepped-up output of political pamphlets in Wayne County. But Ferency said he felt the party could not compensate for the newspaper shutdown.

Elliott agreed the harmful political consequences of the strike could not be entirely overcome. He said studying newspapers helps Republican leaders evaluate the effectiveness of their campaigns.

And Elliott said the lack of state news coverage in Detroit was aiding the Democrats in what he described as an attempt to emphasize national issues and play down state issues in the fall campaign.

Negotiations Resumed

Elliott said the state GOP also is turning to voter registration in an attempt to partially overcome the effects of the strike. He said the party has taken "one and maybe two more" opinion polls than it would have if the Detroit papers were publishing.

Meanwhile, negotiators representing both sides in the strike were to meet at 10 a.m. today with members of a special commission seated at the bargaining table.

The mutual agreement to resume negotiations was reached at a joint conference with the governor Thursday after the three-member commission, named by Romney, had urged further talks.

Members of the commission are President Clarence Hilberry of Wayne State University, Bishop Richard S. Emrich of the Episcopal diocese of Michigan, and Prof. Russell A. Smith of the University of Michigan Law School.

Romney said the three asked to be present when the talks began again. He added the commission is authorized to recommend procedures "other than collective bargaining" if the present effort fails.

Weather

By The Associated Press

ESCANABA — Low last night 42, high today 65, low expected tonight 50, high expected Saturday 60.

Upper Peninsula — Mostly cloudy this afternoon, tonight and Saturday. Rain in the west half tonight and over the entire area Saturday. Warmer this afternoon and tonight. Low tonight 48 to 56. High Saturday 58 to 65.

Lower Michigan — Considerable cloudiness this afternoon, tonight and Saturday with rain likely Saturday. Warmer today and tonight and in the south Saturday. Low tonight in the 50s. High Saturday in the 60s in the north to the 70s in the south.

Santa Barbara Blaze Diverted; 78 Homes Razed

SANTA BARBARA, Calif. (AP) — A fire which twice burned into the hillside suburbs of Santa Barbara turned away today and blazed into lightly populated inland valleys.

It was the third time the fire seemed to be moving away from Santa Barbara. Firemen couldn't say whether it could turn and hit the city again.

The fire has now blackened 40,000 acres, killed one man and injured 36 others, all firefighters.

It has destroyed 78 homes and buildings, including the luxurious homes of Avery Brundage, president of the International Olympic Committee, and Dr. Robert Maynard Hutchins, president of the Center for the Study of Democratic Institutions.

Santa Ana winds — the "devil winds" which sweep down coastal canyons to the sea — have three times sent the blaze burning toward Santa Barbara, a city of 65,000, nestled between the Pacific and the Santa Ynez Mountains.

The fire started Tuesday afternoon at 2 p.m., was hit hard by fast-moving firemen and aerial tanker planes, and seemed headed inland by 9 p.m. then came the devil winds. In an hour 12 homes burned.

U.S. Forest Service firefighters, bolstered by county and city firemen, blocked it again. By 7 p.m. Wednesday the fire had covered 2,000 acres, but the air at dusk was cool, and the fire was again moving inland.

Again the winds struck. In

Medical School At MSU Given OK By Doctors

DETROIT (AP) — Establishment of a two-year medical school at Michigan State University now has the blessing, instead of the disfavor, of the Michigan State Medical Society.

The society, holding its annual meeting here, Thursday praised MSU and the State Legislature for having "the foresight" to establish a medical school.

Previously the society had taken the position that a third medical school should not be established in Michigan until the Wayne State University School of Medicine reached maximum efficient size of 200 students in each entering class.

A total of 125 freshmen medical students enrolled at Wayne State this fall.

The society's resolution said there is "a continuing need for qualified physicians in Michigan" and offered its "continuing support" to MSU and the legislature "in this worthwhile endeavor."

MSU recently received a grant of \$1,250,000 from the Kellogg Foundation of Battle Creek to help develop its medical school.

Opportunity has to knock, but it is enough for Temptation just to stand outside and whistle.

Walkouts Start At GM; Contract Talks Suspended

Kennedy Death Report To Stir Up Controversy

LONDON (AP) — The Warren commission's report on President John F. Kennedy's assassination is certain to produce a storm of controversy in Europe if it holds that the accused killer, Lee Harvey Oswald, acted alone.

An Associated Press survey of nine European countries today showed that leftist circles will take the lead in charging a whitewash if the commission's report, to be made public Sunday, upholds the FBI's version of the Dallas killing.

Europeans in general have regarded reports from Dallas with feelings ranging from misgiving to outright suspicion. Leftist organizations have long subscribed to the theory, that the assassination was a rightist conspiracy with Oswald as its tool and that Dallas nightclub operator Jack Ruby shot Oswald to silence him.

The publication in Europe, as a newspaper serial and as a book, of "Who Killed Kennedy?" by Baltimore reporter Thomas G. Buchanan, has added to the doubt. So has New York lawyer Mark Lane, who toured the continent denying that Oswald was the assassin.

A "Who Killed Kennedy" committee has been formed in Britain by Bertrand Earl Russell, 92, the philosopher and pacifist.

But British opposition to the Warren report probably will generally be confined to leftists.

Mother Acused Of Abducting Court Ward, 13

NEWARK, Ohio (AP) — A warrant for the arrest of a Niles, Mich., woman was issued Thursday in the disappearance of the woman's daughter, a 13-year-old court ward.

The Licking County sheriff's office said the warrant, charging contributing to the delinquency of a minor, was issued for Bonnie Sappenfield, formerly of Ohio.

The sheriff's office said the girl was en route home from Lincoln Junior High School here to eat lunch at the Children's Home, her residence, when Mrs. Sappenfield picked the girl up in a car and drove away.

The superintendent of the home, Sam Goddard, identified the girl's mother. He said there were two men in the car with Mrs. Sappenfield.

Two Bandits Rob Municipal Judge In Mount Clemens

MOUNT CLEMENS (AP) — Two bandits invaded the home of Associate Municipal Judge Frank E. Jeannette Wednesday and made off with \$200 after binding Mrs. Jeannette.

The woman told police she was alone in the house when the men came to the door and gained entry to pretending they were messengers. Once inside, they handcuffed her hands and tied her feet with rope.

They fled with the money after ransacking the house.

Sen. Humphrey Gives Talks In Michigan Today

By The Associated Press

The No. 2 man on the Democratic national ticket, Sen. Hubert H. Humphrey, occupied the center of the Michigan political campaign stage today.

The Republicans will follow up Saturday with their top candidate, presidential nominee Barry Goldwater. Like Humphrey, he will make several campaign stops in Michigan.

Humphrey was to arrive at Grand Rapids at 11:15 a.m. today. Following an airport news conference, he was to deliver a speech in the city's Campau Square, then motor to Kalamazoo for an address at the Western Michigan University Fieldhouse.

Brucker Honored

The Minnesota senator is to speak tonight at Democratic rallies in Bay City and Flint. Scheduled to greet Humphrey at Grand Rapids — and accompany him on the campaign swing — was Congressman-at-large Neil Staebler, the Democratic nominee for governor.

Staebler campaigned Thursday in Macomb County and made two appearances in Detroit Thursday night. He addressed the Michigan Mental Health Association and dropped in at a rally of the Congress of Racial Equality to make a \$100 contribution.

Gov. George Romney was scheduled to campaign today in Saginaw County. He is to address a meeting of the Dearborn Federation of Teachers tonight.

The Republican governor Thursday night attended a Detroit dinner honoring former Gov. Wilbur Brucker.

The GOP candidate for the U.S. Senate, Mrs. Elly Peterson planned a campaign tour of the Detroit area today. She is to speak tonight at a Republican Nationalities Council meeting in the Motor City.

The Charlotte woman's Saturday schedule calls for appearances at ox roasts at Monroe and Midland. She also is to attend the 25th state convention of Alcoholics Anonymous in Detroit as Romney's personal representative.

Mrs. Peterson's opponent, Sen. Philip Hart, was in Washington Thursday. A Democratic party spokesman said it was not certain whether he would be able to return to Michigan this weekend for some campaigning.

Swedish Soldiers For U.N. Caught Smuggling Arms

NICOSIA, Cyprus (AP) — Relations between the Greek Cypriot government and the U.N. peace force hit a new low today as five Swedish soldiers were held on charges of smuggling arms to the Turkish Cypriots.

"The situation could not be more serious," said a U.N. officer, "especially at the time when we are trying to persuade the Cyprus government through the Security Council to grant our forces complete freedom of movement."

He said the U.N. force had put the men under arrest after Greek Cypriots nabbed them with two carloads of arms at a roadblock.

Gen. George Grivas, commander of the Greek Cypriot armed forces, told newsmen the Swedes were running arms to Lefka, an inland stronghold of the Turkish Cypriots.

Senate Removes Two Roadblocks To Adjournment

WASHINGTON (AP) — The Senate has removed a major roadblock to adjournment of Congress by adopting a legislative reapportionment compromise and then passing the \$3.3-billion foreign-aid bill.

First, the compromise solution to the controversy over apportionment was adopted 44 to 38 Thursday, then, in a sudden burst of action, the aid bill to which it is attached was swept through 45 to 16.

With adjournment fever spreading and leaders finding it difficult to keep enough campaigning senators on hand to maintain a quorum, it is now thought possible that Congress will be able to close shop by the end of next week.

Tangled In Filibuster

The foreign-aid measure, carrying \$216,700,000 less than the \$3,516,700,000 requested by President Johnson and authorized by the House June 10 was called up in the Senate Aug. 1.

But since Aug. 12 it had been entangled in a filibuster waged by a group of Democratic liberals against an amendment offered by Republican Senate Leader Everett M. Dirksen of Illinois.

Dirksen would have forced a delay of a year or more of Supreme Court-ordered reapportionment of both Houses of state legislatures on a population basis.

The stalemate was broken by the adoption of a mild, nonbinding "sense of Congress" proposal offered by Democratic Senate Leader Mike Mansfield of Montana as a substitute for the Dirksen proposal, which he originally cosponsored.

Goes To Conference

Stripped of any criticism of the Supreme Court ruling and having no force of law, it simply says it is the sense of Congress that the federal district courts could properly:

1. Allow legislatures the length of time provided for a regular session, plus 30 days, but not more than six months in which to reapportion.

2. Permit the next elections of members of legislatures to be conducted on the basis of state laws in effect last Sunday, Sept. 20.

And it suggests that if states fail to reapportion within the time granted in any court order, the courts themselves shall apportion representation.

The foreign-aid measure now goes to a Senate-House conference committee for a reconciliation of differences in their two bills.

and had "slept in beds." They also said they had been taken on several brief automobile trips.

Police believe the automobile trips were made so that the kidnapers could keep on the move. But the children described them as "automobile promenade — pleasure rides."

The youngsters were reported giving an intelligible report of their experience. All had been described as bright and articulate.

The three, Joel Biet and Patrick Guillon, both 5, and Patrick's sister Christine, 6, were pronounced in excellent health. They had not been mistreated.

There was no indication whether a \$210,000 ransom demand had been paid.

Two letters Thursday, presumably from the kidnapers, threatened the lives of the children unless merchants of the city of Poitiers paid the ransom by 1 p.m. Eastern Standard Time today. Poitiers is the nearest city to the village of Marnay where the children live.

Plant Pickets Appear After UAW Deadline

DETROIT (AP) — A nationwide strike against General Motors Corp. flared today when the United Auto Workers and the company failed to agree on a new contract by a union-imposed 10 a.m. (EST) deadline.

The union previously negotiated three-year pacts at Chrysler Corp. and Ford Motor Co. final agreement coming only 51 minutes ahead of deadlines at each.

Negotiations were broken off and no further sessions were scheduled.

The union took General Motors out of 1965 model production but announced its plants which build and sell parts to Chrysler and Ford would not be struck.

Over 260,000 Affected

Disclosure the strike was official didn't come until after workers already had started walking out at Cleveland, Ohio, Farmington, Mass., and elsewhere.

UAW President Walter P. Reuther announced at 10:30 a.m. that it was with "a great sense of sadness and disappointment" that he reported failure to reach agreement with General Motors.

He was accompanied to a televised news conference by Leonard Woodcock, UAW vice president and chief of its GM department.

The UAW estimated its strike at GM would idle 260,000 of its 354,000 production workers.

Non-economic demands of the union, rather than money, apparently brought about the strike. GM had offered to match the economic package won at Ford and Chrysler, which Reuther had estimated worth 54 cents over the next three years.

Other Industries Hit

Unrelated issues at the start of a 24-hour marathon bargaining session included grievance procedure, union representation in the plants, production standards, disciplining of workers and working conditions.

The strike deadline came less than a day after General Motors put its 1965 line of cars on display in dealer showrooms.

With the auto industry one of the largest users of steel, glass, rubber, aluminum, zinc and other metals, a General Motors shutdown was certain to be felt quickly through every section of the nation's economy.

In addition to thousands of GM workers idled in the selective walkout, hundreds of supplier plants around the country also will be affected.

Within the first half hour walkouts were reported at 17 major factories.

They are in Pittsburgh, Cleveland, Dallas, Norwood, Ohio; Los Angeles, Wilmington, Del.; Kansas City, Janesville, Wis.; Lansing, Pontiac, Grand Rapids, Flint and Detroit; Farmington, Mass., and Fremont, Calif.

Today's GM strike was the ninth major walkout against the auto industry's Big Three by the United Auto Workers Union.

Extension Rejected

Even if agreement had been reached on a national contract, the UAW had told its local unions earlier that they could go on strike anyway to back up their local demands if these were not settled by a week from today.

Thursday, Reuther had proposed the differences between his union and GM be submitted to binding arbitration. GM turned down this offer, and the UAW later rejected a GM proposal that the strike deadline be extended.

The union also asked GM to join it in having William E. Simkin, director of the Federal Mediation and Conciliation Service, sit in on the bargaining. The firm turned down the proposal.

The strike against GM is a selective one. It leaves in operation those GM plants which sell parts to Chrysler, Ford and American Motors Corp. The UAW said it also would leave in operation those plants supplying industries other than the automotive.

Woman And Son Killed In Street

DETROIT (AP) — The thump of a car Thursday night snuffed out the lives of a woman and her young son on a street in suburban Redford Township.

Killed were Mrs. Mary Ashley, 22, of Detroit, and her son, Curtis, 3. Mrs. Ashley's husband, Douglas, 28, was injured seriously.

The three were struck by a car as they were crossing a street to a grocery store. The driver, Dr. George Mogill, 47, of Huntington Woods, told police he did not see the pedestrians because it was raining. He was not held.

Kidnaped French Tots Found Safe

PARIS (AP) — Three French schoolchildren kidnaped last Monday were found safe today by the side of a road near Bordeaux, in southwestern France.

The children told police a young man and a woman called "Nicole" had let them out of a light blue car.

The three, Joel Biet and Patrick Guillon, both 5, and Patrick's sister Christine, 6, were pronounced in excellent health. They had not been mistreated.

There was no indication whether a \$210,000 ransom demand had been paid.

Two letters Thursday, presumably from the kidnapers, threatened the lives of the children unless merchants of the city of Poitiers paid the ransom by 1 p.m. Eastern Standard Time today. Poitiers is the nearest city to the village of Marnay where the children live.

The youngsters were found shortly after daylight by a young woman who recognized them from police descriptions. She notified gendarmes at the little town of Carbon-Blanc, about 15 miles from Bordeaux.

The police took the children to Bordeaux. The tots told them they had not been mistreated

Delta Charities Goal Is \$50,000

Holding to the same goal as that of a year ago, Delta United Charities is preparing to open its drive for \$50,000 to finance the operations of eight local agencies in the year ahead. The campaign is scheduled to open on Oct. 15 with leaders in all of the agencies participating in the fund efforts, said John Pearson, Delta United Charities director. The agency people will actively aid in the drive that helps support their local service programs.

A. W. Freeman is chairman of Delta United Charities and other board members are George S. Douglas, vice chairman, Forrest Henslee, treasurer, Howard Fontaine, secretary, Lloyd Carlson, Dr. Robert Ryde, Morris Buckmiller of Gladstone and Leo Knaut of Bark River.

"There are eight agencies participating in DUC," said Pearson. "All of them provide services that directly contribute to the benefit of our people in

fields of youth work, charity, and health. All of them merit and receive cooperative public support for their efforts."

The agencies are: Boy Scouts, Girl Scouts, Camp Fire Girls, Red Cross, Salvation Army,

Bay Cliff Health Camp, Retarded Children's Association, and the Escanaba Area Child Guidance branch.

Last year the goal for the agencies was \$50,000, the same as for coming year, and the goal was 90 per cent achieved. The hope is to make it 100 per cent this year, Pearson said.

Campaign chairmen for the cities of Escanaba and Gladstone, for the county, will be named. The DUC board will serve as the group for industrial solicitation.

Payroll deductions account for most of the contributions to Delta United Charities and there will be no house-to-house solicitation. There was no call to the homes by solicitors last year because this was felt to be a duplication since contributions were received at the place of employment.

Besides the industrial sources, contributions come from commercial, professional, and special gifts categories. It was noted that pledges to DUC were kept almost 10 per cent last year, accounting for the success of the fund raising program.

Rock

4-H Projects

The Rock 4-H Club has begun personal improvement project work on Tuesdays and Thursdays after school with Mrs. Lawrence Wilcox as leader. In the wrapper project are Patricia and Priscilla Waak, Susan Koski, Pamela and Debra Sharkey and Tina Mankiewicz. They meet Thursdays. Meeting Tuesdays are the mask project members. They are Debra Kivela, Elena Lehto, Nancy Welldum, Cynthia Niemi and Linda Lampi.

Duesenberg Auto To Be Revived

INDIANAPOLIS (AP)—Virgil M. Exner of Birmingham, Mich., former designer of Pontiac, Studebaker and Chrysler automobiles, has been named director of styling for the Duesenberg car which is to be revived after 30 years' absence from the market.

Exner left Chrysler in 1961 to set up his own design and development firm.

The Duesenberg body is to be built in Italy. The engine and chassis will be manufactured in the United States and the luxury car will be assembled in Indianapolis.

Exner left Chrysler in 1961 to set up his own design and development firm.

Mrs. Ahola, 76, Of Trenary Dies

TRENTARY—Mrs. Sofia Ahola, 76, of Trenary, died at 8:15 p. m. Wednesday in St. Mary's Hospital, Marquette, where she had been a patient for one week.

Mrs. Ahola was born Nov. 7, 1887, in Lappajarvi, Finland, and came to this country in 1912. She lived in Minnesota and Neagau before coming to Trenary 33 years ago. She was a member of the First Lutheran Church in Trenary.

Survivors include: one son, Neil, Rudyard; three daughters, Mrs. John (Heldi) Wuorenma, Waukegan, Ill.; Mrs. Willis (Agnes) Hakkarainen and Mrs. Eldore (Sylvia) Koepf, Marquette; six grandchildren and four great grandchildren and a sister and two brothers in Finland.

Friends may call at the Perala Funeral Home in Neagau after 2 p. m. today. The body will be taken to the First Lutheran Church in Trenary at 11 a. m. Saturday where services will be held at 1 p. m. Rev. Edward Leppaluoto of Gwinn will officiate. Burial will be in the Trenary Cemetery.

Soviets Ease Up Radio Offensive Aimed At West

WASHINGTON (AP)—The Soviet Union apparently has decided to slack off in its radio offensive toward the West and step it up toward underdeveloped areas and Red China.

And in defensive radio warfare, the Soviet bloc has virtually quit jamming Voice of America broadcasts while putting interference on signals coming from Radio Peking.

U. S. monitors gave some statistics today on how the Communist radio propaganda operations have changed with the shifts in the international political scene.

Soviet short wave propaganda to North American dropped 10 per cent and to West Europe 16 per cent during the summer broadcasting season.

This was interpreted as a sign of easing East-West tensions, plus the great growth of television in the western nations which has taken many people away from their radio sets.

The reduction in transmissions aimed at the advanced Western countries was matched by increases to Asia, Africa and Latin America. Radio Moscow

added six languages: Malayalam (an Indian tongue), Lingala for the Congo, Zulu for South Africa, Thai and Cambodian for Southeast Asia and Uighur, transmitted through Radio Tashkent for the western Chinese province of Sinkiang.

Radio Peking started off the year with an increase in its Russian-language broadcasts aimed at its Communist rival which outpaced Soviet broadcasts in a Chinese.

The Soviet bloc jamming of Russian-language broadcasts by the Voice of America, the U. S. government's overseas radio, began to taper off more than a year ago. Now only Bulgaria sends out electronic interference against the U. S. programs.

Gov. Romney And Staebler Speak To Tabletoppers

GRAND RAPIDS (AP)—Gov. George Romney and his Democratic opponent, U. S. Rep. Neil Staebler, will be featured speakers at the 25th annual convention of the Michigan Licensed Beverage Association which starts here Sunday.

The three-day convention of "Tabletoppers" is expected to attract more than 600 persons to Grand Rapids, where the state organization was founded.

Romney and Staebler tentatively are scheduled to appear Monday. Also scheduled Monday is a speech by Donald S. Leonard, chairman of the State Liquor Control Commission.

Outlook 'Fair' For Small Game

HERMANSVILLE — Indications are that the opening of the small game season will be "fair" in North Menominee County when the hunters take to the woods on Oct. 1.

Menominee County according to reports along with Alger, Houghton, Iron, Marquette counties appear to have the best "pat" shooting.

In the Hermansville area, the Vega territory and the Fox Farm area will produce the best hunting; Camp Three and the Oral Road will be best in the Powers-Spaulding area. The Faithorn area once again will have good "pat" hunting.

October 8 is the opening of the duck season. Compared with last season, duck hunters should score a higher take on the first day as a result of having their starting time moved ahead to Sunrise. They can look for a good supply of home-grown birds on most of the interior potholes, beaver ponds, marshes when the season gets underway.

Duck hunters in the Hermansville area will try their luck on the Hermansville Lake, Spruce Lake, Lake 18 and Leapers Lake.

In the Faithorn area the area around the Menominee River which has been good in the past will again draw the heaviest concentration of duck hunters.

Duck hunters in the Powers-Spaulding area will invade the areas around the Little Cedar River.

Consider Sale Of Tech School

The Escanaba Area Public Schools board of education has "a potential purchaser" for the former Catherine Bonifas Technical School building at 1601 Ludington St., the City Council was told Thursday night.

Use of the building was abandoned with the opening of the new Escanaba Area High School.

The board of education will meet in special session at the Webster Annex at 5:30 p. m. Monday.

Luther M. Barrett, superintendent of schools, in a letter to the City Council, asked the Council to determine any possible interest it may have in the property, and release its interest if it was not interested in purchasing the property.

The property, when it was conveyed to the school district, has in the deed a restrictive clause requiring that the property be first offered to the City of Escanaba "for the same price and upon the same terms as it might obtain from any other purchaser" if it was to be disposed of for any other purpose than educational.

The price offered was reported as \$12,500 and the Council approved a motion to waive any interest it may have in the property, thus clearing the way for the disposal of the property by the school board.

Supt. Barrett, Dr. Vernon K. Johnson, board president, and Mrs. Robert Mosenfelder, trustee, represented the board at the meeting of the Council.

The price offered was reported as \$12,500 and the Council approved a motion to waive any interest it may have in the property, thus clearing the way for the disposal of the property by the school board.

He has been active in civic affairs; is married and has three sons.

Gold Beverage Sale Is Banned

GRAND RAPIDS (AP)—To the dismay of some Michigan fans of GOP presidential candidate Barry Goldwater, state officials have banned the sale of "Gold Water," a new soft drink.

Some 1,350 cases of the beverage have been ordered withheld from distribution. The reason: the pop is "grossly misbranded because it lists as ingredients only artificial coloring and a preservative," said J. L. Littlefield, chief of the food and standards division of the Michigan Agriculture Department.

There was concern about this at the Goldwater-For-President chapter in Grand Rapids where executive director Mrs. Margaret Lewis said "we're using anything we can to promote the senator's name."

She had wanted some of the pop for the "obvious similarity" of names. "Just the little we did have earlier went out of here very quickly," she explained.

The cases of Gold Water will be shipped to Indiana, said Robert Duffy, president of Nehi Beverage Co. at Grand Rapids which was to have distributed the soft drink. The beverage is manufactured in Columbus, Ga. (by Royal Crown Cola Co.)

Littlefield said "I seriously question whether a carbonated beverage can be described as water. The title has two separate words—gold and water."

He said he'd accept the name if it were qualified with a description "such as 'a lemon-lime drink' or whatever it is" and if the ingredients were spelled out fully.

Briefly Told

The Escanaba Yacht Club is sponsoring a picnic at Larry Pratt's cottage at Stonington on Sunday afternoon beginning at 1:30. Members are to call ST 6-0929 if they plan to attend.

The Bay de Noc Toastmasters Club will hold a ladies night program at Marco's Monday at 6:30 p. m. The speaker will be Art Brien, who will show slides and describe his travels to the Far East.

The Delta County Young Democrats will meet Tuesday, Sept. 29, at 7 p. m. in the Delta County Democratic Committee headquarters, 815 1st Ave. N. All Delta County high school and Community College students who are interested are invited to attend.

Soo Line Aided By Straits Ferry

LANSING (AP)—Retention of railroad ferry service across the Straits of Mackinac would help the Soo Line Railroad in soliciting business and avoiding outside competition, a Soo vice president said Thursday.

Soo is one of three railroads seeking to abandon the ferry.

Ross Thorfinsson, vice president for traffic for Soo, told a State Public Service Commission attorney in cross-examination that, as a traffic man, he would like to see the ferry operation continued.

The hearings were to recess after a session today to allow Public Service Commission time to prepare its case against abandonment. The railroads have presented their arguments.

Wallace Snow, assistant vice president for marketing for the New York Central Railroad, was to take the witness stand today.

Thorfinsson agreed that copper production has risen in the Upper Peninsula since 1960, that iron ore mining is rising in the Marquette area and that iron ore companies are investing millions of dollars in the new pelletizing process.

Continuation of the ferry would be a valuable tool in soliciting business, he said.

And continued routing Michigan would prevent the danger of losing business to competition that would be encountered in shipping around Lake Michigan through Chicago, he added.

Thorfinsson said the 50 per cent that Soo is required to pay for maintenance of the ferry is unfair—even though it gets 46 per cent of the revenues from the ferry.

Soo, the Pennsylvania Railroad and New York Central own the company that operates the ferry, splitting the deficits or revenue between them.

They are seeking to abandon it as unprofitable.

The ferry abandonment is a key to the proposed closing down of 223 miles of track in

northern Lower Michigan by Pennsylvania and 63 miles of track by New York Central.

The Public Service Commission, the attorney general's office, a citizens group, railroad brotherhoods and business concerns with a stake in the area's economic growth are fighting the abandonments.

Death Claims Mrs. Adele Cass

Mrs. Adele A. Cass, 80, of 1215 11th Ave. S., widow of Frank Cass, died at 2:15 a. m. today at Delta Nursing Home. She had been in failing health two years and was seriously ill two weeks.

Born in Bark River July 2, 1884, she had been a resident of Escanaba 75 years. She was a member of St. Patrick's Church.

Her husband died in 1929. Surviving are two sons, Robert, Chicago, and Clinton, Escanaba, two daughters, Mrs. Stanley (Adele) Jensen, Escanaba, and Miss Elaine Cass, Chicago, five grandchildren and one great grandchild.

The body was taken to the Alto Funeral Home. Arrangements for services which will be held at St. Patrick's Church, will be made later today. Burial will be in Holy Cross Cemetery.

Council Assists Firms Planning Plant Expansion

Cooperative actions of the City Council were taken last night to help speed proposed commercial expansion in Escanaba by two business firms, and a third action is hoped to clear the way for construction of an apartment house.

The apartment building is proposed to be constructed in an area formerly occupied by St. Anne's church, school, rectory and convent. The area is now zoned Residence B and to provide for multiple dwellings must be changed to Residence C.

First reading was given an ordinance which would amend the zoning ordinance to provide the zoning change required to clear the way for multiple dwellings in the area.

Plant Expansion

The Council referred to the Planning Commission for recommendation a request of the B. A. Coplan Iron & Metal Co. to vacate one-half block of 7th Ave. N. east of N. 16th St. Coplan has purchased from the Escanaba Foundation the former Michigan Potato Growers Exchange property, it was reported to the Council by George Harvey, city manager.

Clairmont Transfer Co. has requested the city to vacate N. 18th and 19th Sts. between the E&LS tracks and 7th Ave. N., so they may expand their facility.

City Manager Harvey said Clairmont needs the additional area to carry through plans to construct a new warehouse. A main city gas supply line runs through N. 18th St. and would have to be rerouted at a cost of about \$3,800 of which Clairmont has offered to pay two-thirds, the Council was told.

The question of vacating was referred to the Planning Commission for a recommendation and meanwhile the city will proceed with plans to lease the street areas so the firm will not be delayed in its construction plans.

A recommendation of the Planning Commission to have

Record Recalls Cutter's Fate

The tragic death of the Coast Guard Cutter Escanaba 25 years ago was recalled at the meeting of the City Council last night, when a copy of the vessel's official log was presented to the Delta County Historical Society.

Mayor George Rusch presented the ship's last record to John J. Mitchell, president of the Historical Society. Mitchell expressed appreciation for the gift, which had come to the city with the assistance of Rep. Victor Knox, Michigan congressman, and said it will be placed in the Historical Museum archives.

Mitchell suggested that a scale model of the Cutter Escanaba, made by Ervin Paulin Sr., of Escanaba, should be acquired to complete the exhibits that tell the story of the cutter's heroic service and tragic loss.

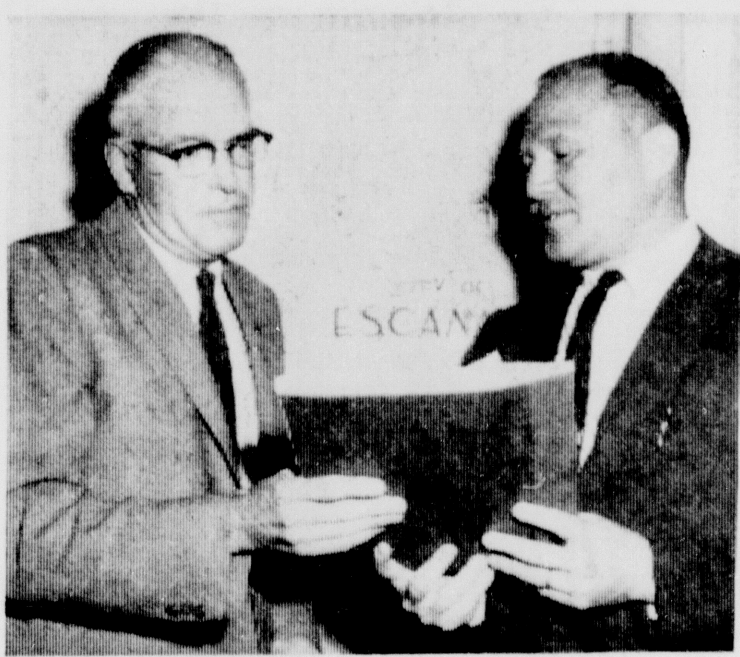

The cutter blew up on June 13, 1943, at 5:10 a.m. off the coast of Greenland. She sank in three minutes and of her crew of 60 men all but two were lost.

The survivors were Melvin Baldwin, boatswain's mate, and Raymond F. O'Nalley, seaman. They later toured the nation promoting sale of war bonds and visited Escanaba on their travels.

It is believed the cutter struck mines or was hit by a torpedo. A cloud of fire and smoke billowed upward and the cutter sank almost immediately, leaving only a few small bits of wreckage.

The Escanaba was launched in 1932, her permanent port was Grand Haven, and she served on the Great Lakes primarily as an icebreaker. Called into convoy duty in the North Atlantic, she sank two submarines in one day on June 15, 1942; in another spectacular event saved the crew of the USS Cherokee and many survivors of the SS Dorchester.

gations that started two years ago into his affairs led to accusations of manipulating cotton acreage allotments and of leasing nonexistent fertilizer tanks.

THE COAST GUARD Cutter Escanaba was lost off the coast of Greenland in World War II. A copy of the cutter's last log, acquired by the City of Escanaba, was presented to (left) John J. Mitchell, president of the Delta County Historical Society, by Mayor George Rusch. (Daily Press Photo)

Briefly Told

Application for a marriage license was made with County Clerk William Butler by James H. Hart, Rte. 1, Wilson and Gail L. Thomma, Rte. 1 Gladstone.

Escanaba firemen answered two fire calls on Thursday. The first was at 10:55 a.m. when a sprinkler pipe was broken at the Harnischfeger Corp. plant on the Danforth Road. There was no damage. The second call was at 11:55 a.m. at the Walter Chase residence, 714 5th Ave. S., when grease in the oven caused smoke damage.

Traffic court summonses have been issued by Escanaba police to James W. Olson, 1717 S. 22nd St., failing to yield the right of way; Donald R. Rushford, 242 Cedar St., Manistiquie, speeding and disobeying traffic signal; Kenneth W. Kelloniemi, 300 N. 15th St., no tail lights.

Two young men, Gerald H. Sundberg, Escanaba Rte. 1, and William A. Magnuson, 508 S. 17th St., both 17, were to be arraigned this afternoon in municipal court on charges of reckless driving. They were arrested by Escanaba police at 7:30 p.m. in the 100 block of S. 10th St. Officers said the youths were speeding and driving in a reckless manner.

Johnson Heads For The Border

WASHINGTON (AP) — President Johnson flew out today on a Texas-Oklahoma - Arkansas tour that includes a border meeting with President Adolfo Lopez Mateos of Mexico.

Johnson's first stop is El Paso, Tex., for the ceremonial meeting with Lopez Mateos. Johnson then flies to Eufaula, Okla., Oklahoma City, Texarkana, Ark., and finally, the LBJ Ranch at Johnson City, Tex., for a weekend stay.

Sen. Barry Goldwater, the Republican presidential candidate, was in Texas and Oklahoma this week and had canvassed Arkansas earlier.

The three states have a total of 40 electoral votes. Texas, with 25 votes and Arkansas, with 6 went Democratic in 1960 and Oklahoma's 8 votes wound up in the Republican column.

Johnson's meeting with Lopez Mateos, who will give up the Mexican presidency next month, was in the nature of a celebration of last year's El Chamizal Treaty settling a 97-year-old border dispute between the United States and Mexico.

Terms of the treaty call for the two countries to exchange various parcels of land in the El Paso area, with Mexico netting a gain of 437 acres. The two countries also will collaborate in putting the Rio Grande into a concrete channel along the new border so the river won't wander again in the future and cause further boundary difficulties.

Fleming Given Building Okay By Appeal Board

The Escanaba Zoning Board of Appeals has granted approval of an application by Lawrence Fleming to construct a warehouse addition at 2500 Ludington St. The area is zoned light manufacturing.

Fleming had been halted by the city when he began building the 40x48-foot addition to be used as a public garage.

The Board of Appeals meeting Thursday afternoon in the City Hall, with Chairman Chris Nicholson presiding, heard the application by Fleming and granted approval of the building addition.

Joseph Horan, Sands Motel proprietor, opposed the application on the basis that it would block the view of his establishment, which adjoins the Fleming property on the west side.

More people get more news from newspapers than from all other sources combined.

BLUE SHIELD ANSWERS YOUR QUESTIONS

doctors accept Blue Shield fee as full payment in most cases...

Can a doctor charge more than the fee Blue Shield pays?

The majority of doctors agree to accept the Blue Shield fee as full payment if the subscriber's income is not more than \$7500 a year. Almost 85% of Blue Shield subscribers qualify.

Is it true that doctors were instrumental in helping to create Blue Shield?

Yes. Michigan doctors, who best know the medical needs of Michigan citizens, recognized that a new and better form of health care protection was needed. They actively supported Blue Shield when it was founded in 1939, and they still do so today. Much of Blue Shield's success is due to the doctors' leadership and contributions.

How big does a company have to be to qualify for Blue Shield group coverage?

Firms with as few as five full-time employees (including the owner) may qualify.

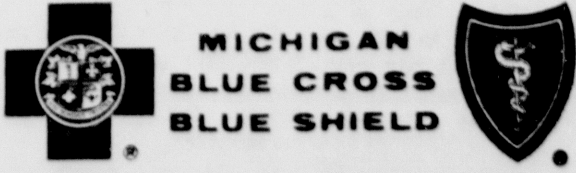

When Blue Shield pays a doctor bill for me, does it also notify my company as to the nature of my illness?

No. Blue Shield regards this as confidential information, strictly between you and your doctor.

How long does it take Blue Shield to include new techniques or medical procedures in its coverage?

Blue Shield usually anticipates them and includes them just as soon as they are accepted by the medical profession. They don't have to be listed in a fee schedule to qualify as benefits.

Do you have a question about your Blue Shield coverage? Just write Dept. 54, Michigan Medical Service, 441 E. Jefferson, Detroit, Michigan 48226. We will answer as many of your questions as possible in future columns.

Now! Join Blue Cross-Blue Shield without belonging to a group if you are under 65. Get your application from your doctor, hospital or nearest Blue Cross-Blue Shield office.

Pet Python Flies With Miss Chaplin

NICE, France (AP) — Geraldine Chaplin, actress daughter of comedian Charles Chaplin, and Emily flew into Nice Thursday night from London.

Emily is Miss Chaplin's pet python. The five-foot snake made the trip in a suitcase. "I love animals," said Miss Chaplin, who is in Nice to make a movie. "But like papa I have a weakness for snakes. Dogs are too demonstrative. My only worry is Emily's food. She eats three mice a week."

Wonderful Youth

The 4-H Clubs of the Upper Peninsula join in the celebration of National 4-H Week next week, Sept. 26-Oct. 3 and for a week the public can knock off its grouching about our kids and observe what a big passel of them are actually doing.

4-H achievement is one of the most impressive things in America. On the basis of volunteer membership and volunteer adult and junior leaders, with a small staff of professionals in the Extension Service, it creates an activity which is the strongest youth-oriented program in our rural areas and an increasing influence in our cities.

In an America which tends to look upon its youth as rather spoiled and idle, 4-H is a morning star of industry, education and wholesome social action. Only on spring Achievement Day or some such assembly does the huge scope of the program become apparent to the public, and even then its strong forward thrust in the preparation of youth for useful lives may not be fully apparent.

There are more than 1,000 4-H boys and girls in Delta County, with 175 leaders and 80 junior leaders. These young people are engaged in 53 work-and-learn projects ranging all the way from trout culture to milinery. Membership has grown from 700 in 1962 to 750 in 1963 and is now past the 1,000 mark, reports Larry Bradford, county 4-H agent.

It is significant of the times that not only are the projects that the clubs set up for their members growing in numbers, but that they are changing in character. There's new accent on community projects, on the international understanding project called Passport to the World, on landscaping, family living and personal improvement.

The character of rural living is changing and 4-H is helping to hasten the change. In Delta about 70 per cent of rural youth are in 4-H, Bradford estimates, and it is especially significant that 50 per cent come from non-farm homes. In the cities, he estimates, only about 2 per cent of young people are in 4-H. There are clubs in Gladstone, but none in Escanaba.

The Ensign Club has landscaped the community hall. The Rock Club has planted flowers in a boulevard. The Gladstone Club has cleaned up and planted a wilderness area. The Hyde Club has maintained a cemetery. Here is youth taking an early interest in personal development through community activity—raising beef cattle for sale, growing gardens, keeping bees, raising trout, riding horses for pleasure and the development of a remarkable skill in horsemanship.

There are about 60 Delta 4-H youth who own horses now. They are a specially dedicated group, remarkable even in an organization noted for its dedication. Here is young wholesomeness exercising in an inspiring way. There is great temptation to believe that only good can come of it; that these young people will enter adulthood influenced by their 4-H studies and projects, and especially by their unpaid work for their own communities.

And how can the adult community encourage this program? By providing more adult leadership for it. This is the key and crucial element, says Bradford. He says it is the almost single reason why there are not more 4-H Clubs in the cities. Our city adults are not as dedicated to the leadership of youth as their country cousins and as a result rural youth is enjoying some advantages not shared by city youth.

The activities in Delta are outstanding in the state's program. Delta sent its four best project demonstrations down to the state 4-H show at MSU Aug. 31-Sept. 8 and all four brought back blue ribbons. Nancy Weldon of Rock was a second place winner with her photography and Susan Meiers of Soo Hiill with her trout rearing; Tom Safford of Ensign won a third with home safety and Sue Sundberg a third with her home design. There were 3200 youth on campus for the show.

In a nation where the word "juvenile" is too frequently linked with the word "delinquency" it is well to be reminded of the inherent good will of American youth, which finds such exemplary demonstration in the 4-H program.

The Doctor Says:

Gouty Arthritis Relieved

By Dr. Wayne G. Brandstadt

Q—I am taking ColBenemid for gouty arthritis. It works fine, but it has some harmful effects?

A—You are taking a combination of colchicine, an old stand-by in the treatment of gout, and the newer probenecid, which helps your system to eliminate the urate crystals that precipitate in the tissues and cause the pain and inflammatory reaction of gout.

This combination is much safer for prolonged use than probenecid alone. Your doctor should carefully regulate your maintenance dose—the smallest dose you can take and not have attacks of gout.

Anyone who is taking probenecid in any form must avoid aspirin or any other form of salicylates.

Colchicine in too large a dosage may cause diarrhea. This would be a reason to reduce the dose if other causes of diarrhea are ruled out first.

Q—My eye doctor told me the pressure in my eyeballs was dangerously high. He did no other tests, but told me to return in two weeks, during which time my fluid intake is drastically restricted. This is a hard routine for me to follow. Do fluids play such a big part in developing glaucoma? If so, how much liquid is safe in a 24-hour period?

A—Restricting your fluids helps your doctor determine in a doubtful or borderline case whether you have glaucoma. In either case, the restriction is temporary. If it is determined you haven't got glaucoma, you may be able to

BARBS

By HAL COCHRAN

Being married or being single is the cause of worry for a lot of people.

In an Ohio town a man was fined \$50 and jailed for giving his wife a black eye. We've always felt you can't beat a good wife.

Funny how a girl will stare into a mirror for a long time to see if she's a good-looking.

Wonder if the little kids, upon returned to school, meant it when they said "Good morning, DEAR teacher."

MERIT SCHOLAR semifinalists were notified Thursday of their ratings by Principal Stephen C. Baltic at Escanaba Area High School. Pictured are (from left) Principal Baltic, Linda Peters and Richard Waak. (Daily Press Photo)

Two Scholars In Semifinals

Principal Stephen C. Baltic of the Escanaba Area High School announced Thursday that two of the school's students have been named semifinalists in the 1964-65 Merit Scholarship competition.

He said they became semifinalists through their outstanding performance on the National Merit Scholarship qualifying test. This test of educational development was given in more than 17,000 high schools last March.

The students cited for their high achievement are Linda G. Peters, daughter of Mr. and Mrs. William Peters, 2316 1st Ave. S., and Richard W. Waak, the son of Mr. and Mrs. Heimo Waak, 1223 N. 22nd St.

They are among 14,000 seniors throughout the country who attained semifinalist status. The group is composed of the highest scoring students in each state and in U.S. territories.

Win Praise

Each semifinalist moves a step closer to winning a four-year Merit Scholarship to the college of his choice. A second examination, endorsement of their school, and certain routine requirements qualify them for finalist status, from which group Merit Scholars are selected.

Miss Peters is reported as undecided on the field in which she would major in college, while Waak is interested in physics.

In honoring the semifinalists, National Merit Scholarship president John M. Stalnaker said they are "representative of our country's most intellectually able young people," and that "they possess the talents and qualities necessary for leadership in the future. They are resourceful, hard-working and ambitious."

In past years, about 98 per cent of the semifinalists have become finalists. All finalists receive a Certificate of Merit in recognition of their outstanding performance in the program. As finalists, the students will be eligible for scholarship awards sponsored by NMSC and about 230 business corporations, foundations, colleges, unions, trusts, professional associations, and individuals.

Four-Year Award

About April 28, 1965, the names of the Merit Scholars will be announced, the exact number depending on the extent of sponsor support of the Merit Program. In 1964 about

Hyde 4-H Club Begins Winter Project Program

The Hyde 4-H Kings and Queens ended summer projects and will hold winter meetings the second Thursday of each month from 7 to 9 p.m. with etiquette the main project. Sue Ann Brayak will do the first project series in November with Jeanne Krause and Patti Brayak assisting.

Community project to be undertaken will be repairing the skating shack at the rink and keeping the rink free of snow this season. A chairman and committee will be selected at the October meeting.

Jackie Dittich reported on the Chorus group activities at Camp Shaw and Tom Brayak gave a very interesting accounting of their week at State Show.

The summer reports and fair checks were distributed and members who took part in the summer projects of making the Town Hall drapes and keeping up the cemetery were applauded for a fine job done. Sharon Bittner presided, Laurie Brayak lead the recreation, and lunch was served. Next meeting will be Oct. 8 with election of officers and enrollments for the 1964-65 winter and summer groups.

1,625 Merit Scholarships were awarded.

Each Merit Scholarship is a four-year award to cover the undergraduate college years. The recipient's stipend is tailored to his need.

Awards may reach a maximum of \$6,000 for the four years of college. For students who already possess financial resources which will enable them to attend the college of their choice, the awards are \$400 for the four years. Stipends now average about \$800 a year, or \$3,200 for the four college years.

Finalists designate the college they wish to attend and the course of study they plan to pursue. The colleges chosen by the Merit Scholars in most instances also receive supplementary grants.

Among 14 Schools

Escanaba Area Public High School was among 14 schools in the Upper Peninsula with students in the semi-finalist list.

Others are: Crystal Falls - Kathryn Bruce and James Stoor; Gwinn - Peter J. Paris; Iron Mountain - Dennis Fraker and James Robertson; Ironwood - Mary Bednar, Neal Nuni and Dale Pryor; Ishpeming - John Archibald and David Williams; Menominee - Andrew Bayerl and John Nicholas.

Newberry - Theresa Parker and Charles Taylor; Rudyard - Stephen Wooley; Sault Ste. Marie - Freeman Bagnell, Michael Green, John Hasler and Bruce Malcolm; Wakefield - Shirley Martinson; White Pine - William Lessels.

Perkins

Standings after the second week of smear league play are as follows: LaChance, 134; De-muse Bros., 129; Apter, 129; LaChapelle, 128; Lippens, 122; DeCramer, 118; Moreau, 116; Flynn, 115; Porath, 115; Depuydt, 113; Miljour, 100; Gerou, 93. High game, Flynn, 69. Low game, Miljour, 36.

Washington Comment

By RAY CROMLEY
WASHINGTON — (NEA) — Count on more incidents in the Tonkin gulf.

We're reaching into touchy territory. The U. S. Navy patrols are in a position to put a crimp in North Viet Nam's seaborne smuggling of arms and equipment to the Viet Cong.

Though shipments from the north are small in quantity, they may be crucial to successful Viet Cong prosecution of the war. The infiltration of men, medicine, arms and equipment by water reportedly has been increasing.

There's reason to believe that a goodly percentage of the Viet Cong's Communist-made machine guns, recoilless rifles, antiaircraft and other such key arms are being brought in by sea, either south down the coast from North Viet Nam or eastward along the southern coast from Cambodia.

During my recent trip to Viet Nam, I talked to U. S. officers whose patrols had on numerous occasions watched the Reds land arms, equipment and men on isolated points along the central and southern coasts.

Said one U. S. officer: "time after time, we'd see them land the stuff, move quickly inland. Before we could get sufficient forces on the spot to stop them, they'd fan out and disappear. They can land and unload quickly at hundreds of spots."

South Viet Nam's Navy has an armed "junk fleet" organized to block this traffic. But on this long coast, the search task is like looking for a needle in the haystack.

One American officer I met had bought a boat of his own jittery.

Warrant Rule To Be Discussed

Prosecutors of the 15 Upper Peninsula counties will meet in the House of Ludington Saturday afternoon to review recent Michigan Supreme Court rulings.

Nicholas P. Chapekis, Delta County prosecutor and president of the Upper Peninsula Prosecuting Attorneys Association will preside at the session, starting at 3 p.m. and continuing through a dinner program.

Among the problems to be discussed, said Chapekis will be the application of the new rules on prison conviction appeal growing out of the U. S. Supreme Court's decision in the Gideon case.

Under Michigan Supreme Court action all indigent prisoners appear entitled to review of their convictions, with the counties paying for counsel and for a transcript of the testimony in the trial.

There have been requests in Marquette and in Schoolcraft counties for such appeals.

The prosecutors will also discuss the new requirement that they must authorize in writing all warrants except those in traffic cases. In sparsely settled counties this creates special problems and it may create pressures to provide assistant prosecutors so that there is always someone available to write an order for a warrant.

McMillan

Girl Scouts

The Junior Girl Scouts enjoyed their first hike of the year Saturday, Sept. 19, with Miss Norma Carver as the troop leader. Twelve girls went on the hike.

W. S. C. S. Meets

The W. S. C. S. met Tuesday afternoon at the home of Mrs. John McLaren. The annual Fall Harvest Festival was planned and will be held Wednesday, Oct. 7 beginning at 7:30 p.m. at the Columbus Township Hall. The next meeting will be held Oct. 13 at the home of Mrs. Crystal Wheeler.

Memory Lane

By J. R. LOWELL

Ten Years Ago
The Cleveland Cliffs Iron Co. will shortly begin a series of experimental drill tests in the Perkins vicinity.

Viewing ourselves as others see us was voiced by two young women only recently arrived from the northern part of Sweden. Mrs. Mary Johansson, in an interview by the Daily Press, finds little to view critically. She did, however, find that American food was too highly spiced and was amazed at the number of taverns they found in Escanaba.

Bernard J. Poisson, prominent Spalding resident and widely known for his activity in the affairs of the American Legion, died today following a long illness.

Twenty Years Ago

After a two-week's postponement, the anti-rat drive was held in Escanaba yesterday. About half a ton of rat bait was set out by the Boy Scouts. The results are being closely watched.

A small yearling doe visited Escanaba yesterday and spent the day in many places. Among the places where calls were made was the men's department of the Fair Store. No one molested her and, fortunately, no dogs gave chase. She was last seen near the ore docks, still trotting in leisurely fashion.

The White House milk condensery at Stephenson processes 150,000 pounds of milk daily according to a recent report by the company.

Thirty Years Ago

Though the New York Yankees defeated Detroit in the season's closer, Detroit won this year's American League pennant. Schoolboy Rowe was the Tigers' mainstay throughout the season.

Mrs. Frances Woodside, 85, a resident of Escanaba for the past 45 years, died today. She was all alone in the world, her husband and seven children having preceded her. Born in Liverpool, England, she made her living as a practical nurse.

Delta Made butter, an Escanaba product was awarded third prize for excellence at the recent Michigan State Fair at Detroit.

Nahma

Woman's Club

The Nahma Woman's Club held its first meeting of the season Tuesday evening at the Nahma Club. Hostesses were Mrs. Victor Thibault, Mrs. Antone Deloria and Mrs. William Rauls. Winners at cards included Mrs. Ivan Schafer and Mrs. Frank Seifick.

Ann Landers Shrieking Laugh Is Not Funny

Dear Ann Landers: Can you help us understand a new girl in our crowd? She is a high school junior and we like her very much, but something about her is a mystery. It is also irritating.

Veronica has a habit of laughing out loud over absolutely nothing. Her laugh is sort of shrill — almost a shriek. It can get on a person's nerves. If I say to her "What did you do last night?" She will reply, "Nothing much — stayed home, looked at TV and washed my hair." Then she gives out with this piercing laugh.

Once I asked her what was so funny and she answered "Nothing."

Is her sense of humor superior? Can it be that we are too dense to get the point and she doesn't want to explain things? Thanks for your help. — THE CROWD

Dear Crowd: Veronica laughs because she is self-conscious, not because she thinks something is funny.

Say nothing but try to make her feel comfortable and she will laugh less.

Dear Ann Landers: Three years ago I wrote to you about my husband and another woman. When I learned of the affair I was crushed. He got down on his knees and swore the affair meant nothing and if I would forgive him he would spend the rest of his life making it up to me.

Your advice was, "Forgive and forget. Trust him. He won't fail you." Well, I took your advice and three months ago it happened again — this time in my own home — with my dearest friend.

I saw it coming but decided if he was one of those immature men who had to cheat I'd rather he cheat with someone I know and like.

Here is the problem: My husband has been so ashamed since I caught them that he can't hold up his head in this woman's presence. He doesn't want her in our house ever again.

Frankly, I like this woman very much. She is wonderful company and I'd hate to give up her friendship. — M. I. WRONG?

Dear M. I.—you are WRONG. If you must continue the friendship do so in the afternoon — at her house — and tell her why she can't come to yours.

Dear Ann Landers: So now you are an art critic in addition

They'll Do It Every Time

Registered U.S. Patent Office

By Jimmy Hatlo

THE VELVETONES of Madison, Wis., one of the top barbershop quartets of the midwest area, will be featured at the annual SPEBSQSA "Harvest of Harmony" concert at the Oliver Memorial Auditorium in Escanaba Oct. 10. The personnel of the Velvetones includes: Bob Cuming, tenor, Mauston, Wis.; Iver Leatherberry, lead, Ripon; Larry Reddeman, baritone, Portage; and Ron Skare, bass, Madison. Three other quartets and the Bay de Noc chorus will be on the local song program.

Family Group Tours Canada

BARK RIVER—Three sisters and their husbands, Mrs. Pearl Tessier of Detroit, Mr. and Mrs. Emmett Smith of Lansing and Mr. and Mrs. Dan Levesque returned this week from a ten day motor trip to points in Canada. In Hawkesbury, Ontario, they visited a cousin of the sisters, Canon R. J. Guindon, pastor of St. Joseph's Church, School and Orphanage. In Ottawa they toured the Parliament Buildings and Chateau Laurier. In Montreal the party visited with relatives of Mr. Levesque, whom he had not seen for 45 years. They also visited Brother Andre's Shrine, St. Joseph's Oratory on Mount Royal and Notre Dame, the oldest church in Montreal. A reception in their honor, given by his niece and husband, Mr. and Mrs. Alfred Duchesneau, was held on Saturday afternoon with Mrs. Albert Perre presiding at the tea service.

On the return trip the party visited relatives in L'Orignal and Clarence Creek, Ont., where their father, the late

Mr. and Mrs. Emil Juneau of Anderson, Ind., are spending their vacation at the Nahma Cottages.

Guests at the Harry DeRossier home are Mr. and Mrs. Francis Lyons of Two Rivers.

will meet at 7:30 p.m. before the general meeting. Prospective Cubs and their parents are invited.

Clarence Anderson who has been a surgical patient at the Veterans Administration Hospital in Iron Mountain for the past month returned home Wednesday.

New Episcopal Bishop Arrives

The Very Reverend George Rhys Selway, D. D., will be consecrated as sixth Bishop of the Episcopal Diocese of Northern Michigan at 10:30 a. m., Thursday, Oct. 1.

The impressive service of consecration will be held in St. Paul's church, Marquette, which was chosen rather than the Diocesan Grace Cathedral of Menominee because of its larger seating capacity.

Episcopal Bishops from across the county as well as many clergy and lay visitors will attend. Because a Bishop in the Episcopal Church is elected to serve the whole Church, his consecration is conducted under the direction of the Presiding Bishop, who sets the time and place. Bishops from other dioceses in turn lay their hands on the head of the Bishop-elect, representative of the unbroken line of Apostolic succession.

Dean Selway was elected Diocesan headquarters in Menominee he will administer the work of the Episcopal Church

Powers-Spalding Vacation Trip

Mr. and Mrs. Phillip Labre returned home Sunday after taking an eight day bus tour to New York to visit the World's Fair. They left on Saturday, Sept. 12. On their first night stop in Cleveland, they visited with Joseph Girard and his family, former residents of Spalding. They spent two days visiting the Fair and one day was sight-seeing New York City, which included at Macy's, St. John's Cathedral, Radio City, Staten Island, St. Patrick's Cathedral, Bowery Street and China Town. On their way home, Mr. and Mrs. Labre visited with their son John and his family in Milwaukee.

in the Upper Peninsula. Prior to his election as Bishop, he had served churches in Ohio, Michigan, and Arizona.

In addition to those participating in the service of Consecration, many visitors from other denominations as well as civic leaders will attend the event. A luncheon at Northern Michigan University and an informal afternoon reception in St. Paul's will conclude the day's schedule.

GLADSTONE

Illness Is Fatal To Mrs. Mulhuser Of Marquette

Mrs. Carl (Elna) Mulhuser, 72, of Marquette, a former Gladstone resident, died Thursday at Morgan Heights Sanatorium. She had been in ill health for some time.

Mrs. Mulhuser was a sister of the late William Kiehlender. She was born in Gladstone on April 3, 1892 and resided here for many years.

She is survived by two daughters, Mrs. Edward Nichols, of Mount Clemens and Mrs. Russell Tripp, Iron Mountain and one son, Wendell Anderson of Marquette.

Funeral services will be conducted Saturday in Marquette with the Anderson Funeral Home in charge of arrangements.

Mrs. Ostman Will Give Travelogue

Mrs. Addy Ostman will give a travelogue presentation of her trip to Tanganyika, Greece, Ethiopia and the Holy Land at the First Lutheran Church School Saturday at 9 a.m., for grades 4 through 8, in Fellowship Hall. Articles she acquired on her trip will be on display and color-slides will be shown. Visitors are welcome.

Mrs. Ostman was formerly associated with the American Board of Missions working among the American Indians at the Wisconsin Rapids Reservation.

Briefly Told

A public auction will be held at the Rapid River Auction House on Sunday, Sept. 27 at 1:30 p. m. George Lockhard will be auctioneer.

The Jolly Jills Home Extension Club will meet at the home of Mrs. Warren Brown, 219 Delta Ave., at 8 p.m. Monday. Mrs. Frank Hicks will be co-hostess.

Richard A. Holmberg, 17, of 1308 Lake Shore Drive, Gladstone, was ticketed by State Police for violation of the basic speed law, too fast for conditions, at 9:40 p.m. Thursday following an accident on County Road 420 near the Fernwood Cemetery. Holmberg told officers he saw a deer on the shoulder of the road and turned his wheel to avoid hitting it. The car ran off the road and struck a telephone pole. Considerable damage was done to the car.

The following motorists were ticketed by State Police for traffic violations: Margerie De-mousse, Rte. 1 Gladstone, expired operator's license; Glen Cataline, Detroit, improper overtaking and passing; and Leroy Geiger, Appleton, Wis., Robert LaPine, Wells and James W. Pascoe, 2402 S. 22nd St., all for speeding.

Attend Funeral

Mr. and Mrs. Carl Wedell, 908 Dakota Ave., have returned from Lowell, Mich., where they attended the funeral of Charles Barber, 40, who died Sept. 17. Mr. Barber's wife is the former Alice Holm, of Gladstone, sister of Mrs. Wedell. Three children, May Kay, Susan and Gary, also survive.

Newspaper want ads are a big sell! Eight hundred million was spent on classified ads last year more than for all television spot announcements or radio advertising.

Family Relation Workshop Slated

"Family Strength in 1965" is the theme of the fall workshop of the Upper Peninsula Chapter of the Council on Family Relations which will be held in the Conference Room of the State Office Building in Escanaba on Oct. 2.

The major speaker will be Mrs. Loa Whitfield, leader of special programs in home economics and family living for the Upper Peninsula Extension Center for Michigan State University in Marquette. Mrs. Whitfield has recently come to the MSU Center from Ohio State University where she was state leader in home economics. She has also served as home economics consultant in Pakistan for the Ford Foundation and has been chairman of the Home Economics Extension section of the American Association of Land-Grant Colleges and Universities and has served as advisor to the National Home Economics Association.

The purpose of the workshop will be to motivate participants of the groups they represent to give thought to programs in their communities for aiding and strengthening families. The workshop-conference is expected to attract about 100 social workers, clergy, educators, PTA representatives, university extension personnel, child guidance workers, woman's club representatives, and others concerned with the quality of family life. Some of the topics to be discussed during the conference are "The Family's Role in Relation to Dropouts", the "Family's Role and the Handicapped", the "Family's Role and the Aging", "Help for the Broken Family", "Rehabilitation of the Indigent Family", "The Family and the Use of Its Resources".

The program will open at 9 a. m., E. S. T. with registration and coffee in the lobby of the State Office Building. The first general session will be held at 10 a. m. at which Mrs. Whitfield will speak. A luncheon will be held at the House of Ludington, after which the conference members will go into discussion groups.

The conference will close with a symposium on "Action for Family Strength in 1965" which will be moderated by Robert Drew of the Rice Memorial Child Guidance Clinic at Houghton. Members of the symposium will be Ivan Rian, project director, Experimental and Demonstration Project "New Attack on Rural Poverty", Northern Michigan University; Dr. Edward Pfau, dean of education, Northern Michigan University; Floyd Wallace, field agent, Michigan Commission on Aging, Lansing; Dr. David Wall, U. P. Adult Mental Health Clinic, Marquette; Michael Mahan, Michigan Department of Social Welfare, Marquette; and Urban Steinmetz, Catholic Social Services, Escanaba. Ad-journment will be at 3 p. m.

Any person interested may attend for the payment of a nominal registration fee. Further information may be received by consulting the Michigan State University Extension Center, P. O. Box 179, Marquette or the University of Michigan Extension Service, P. O. Box 394, Escanaba.

Persons from this area participating in the conference are Luther Barrett, superintendent of schools; Father Donald Shiroda; Dr. George Maniaci, Gladstone; Rev. Everett Wilson, Ministerial Association; Mrs. Norman Lindquist; Lyle Plovman, Delta County welfare director; and Urban Steinmetz, Catholic Social Services.

Garden Peninsula Baby Shower

Eighty-five women from Manistique, Fayette, Vans Harbor and Garden attended the pink and blue shower honoring Mrs. Eugene Gauthier at St. John Hall Wednesday night. Hostesses for the party were Mrs. Alec Bouchard, Mrs. Joe Harbanski, Mrs. Ralph Thibault, Mrs. Norman Rochefort, Mrs. Charles Rasmussen and Miss Christine Thibault. Guests enjoyed games with special prizes awarded to Mrs. Mary Tatrow, Mrs. Gerald Bouchard and Mrs. Cletus Rochefort. After refreshments were served Mrs. Gauthier was assisted in opening many useful and beautiful gifts by Mrs. Rasmussen and Christine Thibault.

Paul Guertin was admitted to Schoolcraft Memorial Hospital Wednesday as a medical patient.

Mr. and Mrs. William Swaer returned Wednesday from Oconto where they visited several days with Mr. and Mrs. Paul O'Neil.

McMillan Hospital

Missy Tucker was admitted to Tahquamenon General Hospital in Newberry Monday for medical treatment.

Mike Brow of Detroit spent the weekend at his home visiting his son, Donnie Mike.

Mr. and Mrs. Leonard De-Noyer of Lake Leelanau visited on Sunday with her brother, Robert Couturier, and family.

Mr. and Mrs. John McLaren and boys, Miss Norma Carver visited Sunday with Mr. and Mrs. Ken Johnson at Deer Park, on Muskalonge Lake.

Morris Shaffer of Hart visited recently with Mrs. Charles Mundt. He is a nephew of the late Mr. Mundt.

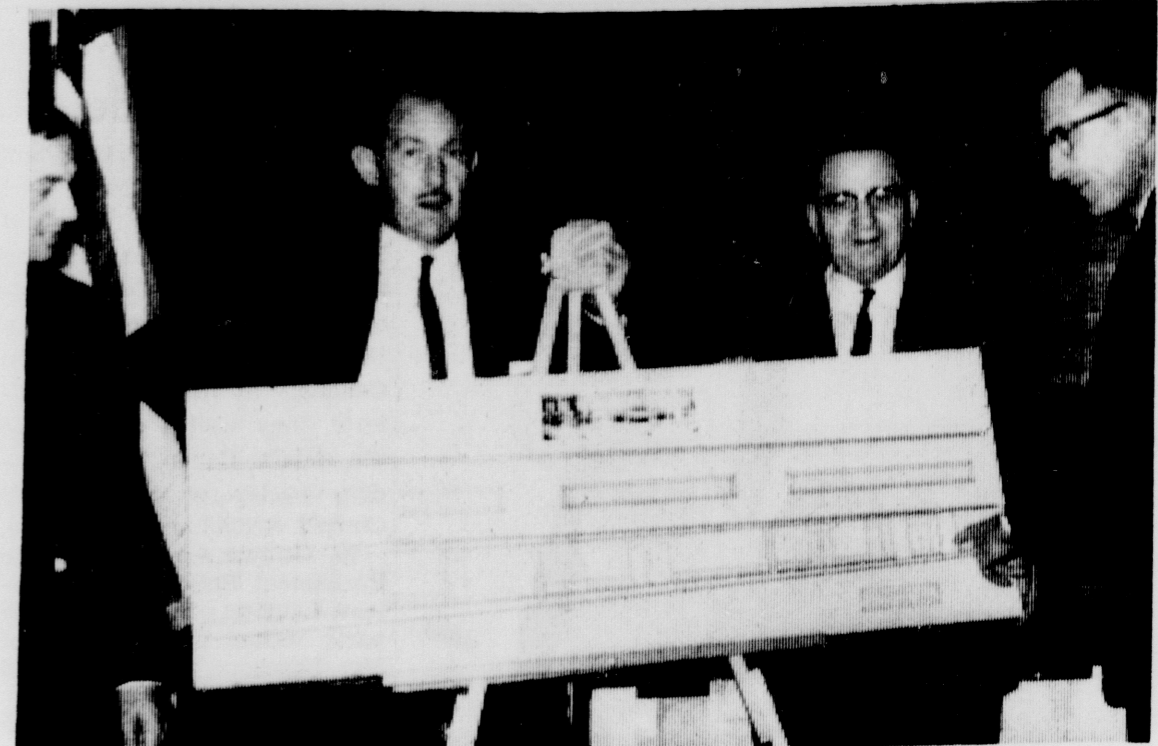

Rev. Stephen Chapko is attending a ministers meeting at Michigamme.

Mr. and Mrs. Reuben Hollingshead and family visited on Sunday with her parents, Mr. and Mrs. Otto Morrison Sr. at Munising, also her brother Otto Jr. of Lansing.

Mr. and Mrs. Devere Layman and family of Mio visited recently with her brother, Reuben Hollingshead, and family.

Mr. and Mrs. Clifford McNally of Munising visited Mr. and Mrs. Frank Kirby.

Mr. and Mrs. Wes Emery of Gould City visited Saturday at the home of Mr. and Mrs. Frank Wheeler.

A MASTER PLAN for Manistique is discussed at a store modernization clinic Wednesday night. Pictured (from left) are Max Putter, staff member of William Leman associates; William Wilson, manager of Operation Action-U.P.; Fred H. Hahne, president of the Top O'Lakes Chamber of Commerce; and Harold Fischer, business consultant, Northern Michigan University. (Daily Press Photo)

MANISTIQUE

Book Memorial Presented For Mrs. Secore

The Manistique School and Public Library has received a copy of "All of the Women of the Bible" by Edith Deen as a memorial to the late Mrs. Harry Secore.

The book presented by the employees of Sunny Shore Restaurant contains concise biographies, searching studies and some shorter sketches on all of the women who form a feminine portrait gallery unsurpassed in the world of literature.

Mrs. Secore was a member of the First Baptist Church and active in church affairs.

The book is available for circulation.

Luther League Plans Banquet

The Luther League of Zion Lutheran Church will hold its fall kickoff banquet Monday at 6:20 p.m., in Augustana Hall. Guests will be members of the 1964 confirmation class received into membership.

Officers who will assume duties are Betty Nelson, president, Rosann Fleck, vice president, Susan Carlson, secretary, Larry Carlson, treasurer, Philip Denman, devotional secretary, Karen Larson, Susan Orhanen, and Jim Gundersen, team captains.

The Luther League meets during the school year on the second and fourth Mondays of each month at 7 p.m.

City Briefs

Mr. and Mrs. Earl Cox, 182 Main St., returned Thursday from a trip visiting in Lansing, Grand Rapids and Frankfort.

Mrs. A. J. Bucsh Dies Thursday

Funeral services will be held at 9 a.m., Monday in St. Francis de Sales church for Mrs. Anthony J. (Ethel) Bucsh, 65, of 215 E. Elk St., who died at 5:30 a.m. Thursday at her home.

Born May 20, 1899 in Kassa, Czechoslovakia, she came to the United States in 1913. She lived in Manistique at first and then moved to Detroit. She returned here in June, 1918. Her marriage to Mr. Bucsh took place in Detroit Sept. 12, 1915.

Surviving are her husband, a grandson, Larry Stromovsky, a brother, Walter Vargo of Detroit and three sisters, Mrs. Lola Wykrent, and Mrs. Carl Sheehan, Detroit, Mrs. Henry Hanson, Dearborn. A daughter, Ethel, died May 21, 1953.

Liturgical prayers will be recited in Mesier-Brouillere Funeral Home at 8 p.m., Sunday. Friends may call at the funeral home beginning at 2 p.m., Sunday. Burial will be in Lakeview Cemetery.

Wins Fair Trip

Mr. and Mrs. William Berger Jr., returned Thursday from New York where they enjoyed an all-expense trip to the World's Fair, for two, won in a Clark station district contest. While there they attended the show, "What Makes Sammy Run?", met the star, Steve Lawrence and spent a day visiting. A tour of the United Nations building was included.

More people get more news from newspapers than from all other sources combined

Parish Dinner Will Be Oct. 11 At Gulliver

The annual Harvest Dinner at Divine Infant of Prague Church in Gulliver will be held Oct. 11. Tickets are available from any parishoners and children under five will be admitted free.

An afghan made and donated by Mary Neumeier will be awarded at the dinner.

Garden Peninsula

Mr. and Mrs. Alvin Carlstrom and August Carlson of Manistique visited at the home of Mr. and Mrs. Wesley Horning recently. Mrs. Mary Birk who spent the last several weeks at the Carlstrom home returned with them.

Mr. and Mrs. Lenard Joque returned from Green Bay where they visited several days with Mrs. Tessie Spychola.

Mr. and Mrs. Alphonse Raymond of Iron Mountain spent the weekend with Mr. and Mrs. Bonard Tatrow and with Mrs. Helen Harbanski.

Mr. and Mrs. James Dotsch and Mary Jane returned Sunday night from a weekend in Lower Michigan where they visited in Alpena with the Howard Boudreau family and in Lansing with Mrs. M. C. Wakeman and Mrs. Rita Maynard and family.

Mrs. James Peltier returned to Alpha after spending several days with her mother, Mrs. Henry Stratton. Mrs. Peltier plans on leaving in the near future for Africa to join her husband who is employed there.

Briefly Told

Mr. and Mrs. Donald Ott and Mr. and Mrs. Harley Hartwig left today for a trip around Lake Superior. A visit at the Great Lakes Paper Co. in Fort William, Ont., is included in the plans.

Manistique Firm Also Has Jeep, And Chainsaws

Walter Linderoth & Sons, local Pontiac and Buick dealers are also Jeep and International 4-wheel drive Scout dealers.

Walter, born in Manistique, started in business after having been employed by the local Pulp and Paper Co. for 15 years as a papermaker. He then entered the farm machinery and produce business, concentrating on potatoes and blueberries.

In 1959, the firm took over the Pontiac dealership and in 1962, the Buick. A line of accessories and parts for these cars is carried.

A full line of International trucks, farm and industrial machinery is carried. The firm is a dealer for Homelite and McCulloch chain saws, with a complete line of sales and service, including bar-grinding and regrooming machines.

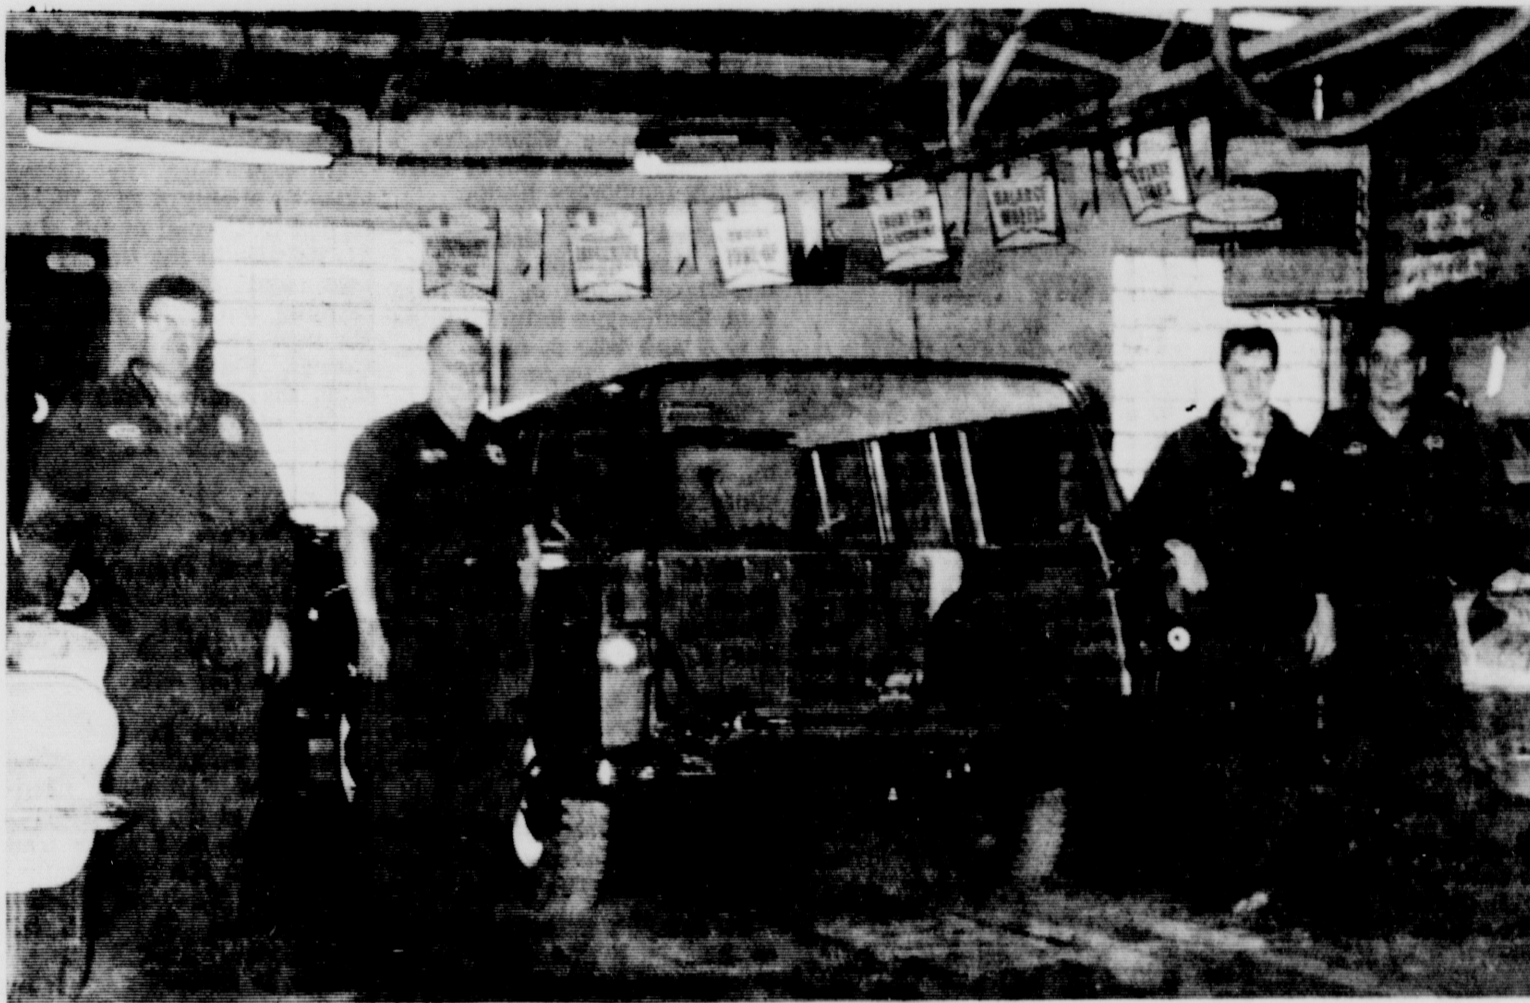

Donald Linderoth, son of Walter, graduated from the local high school in 1957, after which he completed a course in dealership management at General Motors Institute at Flint, Michigan. Both Walter and Donald share in complete management of the business.

A well-equipped service shop is provided, with Sun Motor analyzers, automatic transmission equipment and all other tools necessary to operate a first class service shop. It is staffed by Arnold Flodin, who has been with the firm 19 years, Clarence Haberstich, Henry Stevens and William Niles. Clarence Heuser, the accountant has been with the firm 15 years.

New car showing of both Pontiac and Buick is to be held this week, Thursday, Friday and Saturday. A cordial invitation has been extended to all to come and visit and see the new cars.

The firm is operated by Walter Linderoth, at right and his son, Donald.

Mechanics Arnold Flodin, Clarence Haberstich, Henry Stevens, William Niles.

Katherine Ann Meek James Kozar's Bride

Honeymooning in the Upper Peninsula are Mr. and Mrs. James Robert Kozar Jr., whose marriage took place at St. John's Catholic Church in Tucson, Ariz., Sept. 12.

The bride is the former Katherine Ann Meek, daughter of Mr. and Mrs. Kenneth C. Matthews, of 1951 W. Merline Road, Tucson. The bridegroom's parents are Mr. and Mrs. James Kozar Sr. of Gladstone Rte. 1.

The 11 a. m. double ring ceremony was performed by Father Yates. The evening reception was held at the home of the bride's parents.

Honor attendants were the bride's sister, Miss Margaret Meek of Alhambra, Calif., and Ted Besaw, Escanaba, brother-in-law of the bridegroom. Usher was Jack W. Meek Jr., of Casa Grande, Ariz., also a brother of the bride. Jody and Buddy Winn of Tucson were flower girl and ring bearer.

The bride wore a floor length satin gown of princess lines with sweetheart neckline and tapering sleeves and a jacket of lace. A crown of satin petals with pearl trim held her bouffant veil. She carried cascading carnations and lilies of the valley, centered with a white orchid.

Her honor maid was attired in a ballerina length dress of kelly green taffeta and she carried pink carnations. The little flower girl also wore kelly green.

Mrs. Kozar Jr.

Mrs. Meek chose an aqua brocade sheath with matching pillbox hat. Her corsage was pink carnations.

The couple will live in Omaha where the bridegroom, is an electrician with the United States Air Force. The former Miss Meek is a Pueblo High School graduate and her husband was graduated from Holy Name High School, Escanaba. He formerly was stationed at Campion Air Force Site, Alaska.

Children Will Receive Bibles

Children of the Salem Lutheran Church in Bark River who are in the third and fourth grades will receive Bibles at the 9:30 a. m. service Sunday morning. They are Kris Erickson, Mark Bergstrom, Steven Nelson, Edwin Olson, Norman Larson, Bruce Bell, Kathy Bell, Kathy Larson, Yvonne Larson, Diane Palmgren, Maria VanEnkevort, Sharilyn Stenberg, Clinton Sahn, and Carol Sahn.

Births

MARTINSON — First child in the family, a son weighing 8 pounds and 9 1/2 ounces, was born to Mr. and Mrs. Roger Martinson of Ocala, Fla., on Sept. 12. The baby was named Barry J. The mother is the former Nancy Abbott, and the father is the son of Mrs. Marie Martinson of 1600 N. 19th St., Escanaba.

Albert Piches Are Observing Silver Wedding

Mr. and Mrs. Albert Piche, whose marriage took place 25 years ago, will observe their silver wedding Sunday, Sept. 27, at an open house at their home, 210 S. 9th St.

No formal invitations have been issued but all neighbors and friends are invited to join the Piche family for the happy occasion between the hours of 2 and 5 p. m.

Mr. and Mrs. Piche were married Sept. 18, 1939, in a ceremony at St. Anne's Church, Escanaba, performed by Mrs. Piche's cousin, Father Lester Bourgeois. Their attendants were Mrs. LaVerne Thibault, a niece of Mrs. Piche, and Leo Potvin.

They have two daughters, Mrs. Phil (Dorothy) Derouin and Mrs. Richard (Mary) Gaffney, Escanaba, and four grandchildren.

Library Story Time Saturday

Story Time will be held at 10 a. m. Saturday in the Children's Room of Escanaba Public Library. The program will be: "The Tale of Gregory", a little mouse has a tail that is too long and gets him into trouble; "Uncle Debunkel", two boys play a bear with unbelievable results; and "Edie Changes Her Mind", she wanted to stay up forever and never go to bed. All boys and girls of the age of three and above are invited to attend.

Personals

Mr. and Mrs. Charles Beck and infant daughter, Sheila, Rockford, Ill., and Mrs. Rose Beck of Milwaukee are visiting relatives and friends here.

Goldwaters Have 30th Anniversary

FORT WORTH, Tex. (AP) — Sen. Barry Goldwater's gift to his wife on their 30th wedding anniversary is a gold charm that recalls his winning the Republican presidential nomination and is inscribed: "To the woman who made this possible."

On the opposite side of the charm, about the size of a silver dollar, is the inscription "We want Barry, 1964 nomination." Mrs. Goldwater gave her husband a bronze ash tray sculpted by Western artist Charles Russell.

Joseph Jolly

Joseph Jolly Will Celebrate 81st Birthday

Joseph Jolly, of Gladstone Rte. 1, who will be 81 years old Sept. 29 will celebrate the occasion Sunday, Sept. 27 at the home of his daughter, Mrs. Ed Marenger, of Cornell.

Relatives and friends are invited to the open house that will be held from 2 to 4 p. m. Mr. Jolly enjoys good health and an active life. He grows a large vegetable garden and patch of raspberries.

He was born in Canada, came to Michigan as a boy and settled in Cornell at the age of 21. He was in the timber business and later engaged in farming until 20 years ago. He now resides at Carroll's Corner, Flat Rock, with his wife, the former Jane Vanderlinden of Escanaba.

Church Events

Woman's Club Fall Card Party Oct. 3

The Escanaba Woman's Club fall luncheon and card party an outstanding affair of the season, will be held Saturday, Oct. 3, at the Highland Golf Club. The affair is an annual event, sponsored by the Education Committee to earn funds for scholarships, and it is open to the public.

Confirmation At Immanuel Sunday Morning

A group of young people of the Immanuel Lutheran Church of Escanaba will make their confirmation Sunday, Sept. 27. The Confirmation service will be at 10:40 a. m.

The following members of the class are sophomores in public school, Ann Erickson, Linda Erickson, Louis Jefferson, Linda Johnson, Susan Johnson, Daryl Kauffman, Marty Oslund, Nancy Sivertsen, Terry Sivertsen, Carol Thorbjornsen and Daniel Thorsen.

The class will celebrate Holy Communion Oct. 4, which is World Wide Communion Sunday.

Parish Meets At Christ The King

A congregational business meeting will follow the 11 a. m. worship service Sunday, Sept. 27, at Christ The King Lutheran Church. At that time, members will have the opportunity to vote for or against the following recommendation of the Church Council: "that we allow the necessary expense to employ professional stewardship guidance in the directing of a Funding Appeal for the building of a new church." Members of the Church Council's finance committee will be on hand to answer questions.

Luncheon will be served at 1 p. m. Players may make up their own tables and play the game of their choice. A high score award will be given at each table.

Reservations are to be made by Wednesday, Sept. 31, with Mrs. John Greis, ST6-0539, or Mrs. Edward G. Harkins Jr., ST6-6141.

Mrs. Greis is general chairman of the affair and Mrs. William Mulvaney is assisting chairman.

Their hostesses are Mesdames Clifton Reno, Edward G. Harkins Jr., Leo Brunelle, G. E. Baldwin, Norman Arntsen, John A. Lemmer, James Degnan, Norman Bydalek, Ray McDonough, Al St. Pierre and Clifford Frasher.

Social Club Jefferson PTA

The Jefferson Parent Teacher Association will meet Monday, Sept. 28, at 8 p. m. at the school. All Jefferson parents are cordially invited to join the association. Lunch will be served by fifth grade mothers.

Registration Notice Ford River Township

Registrations are now being accepted at my home for the General Election to be held Tues., Nov. 3, 1964. The last day to register for the General Election is Monday, Oct. 5, 1964 at 8:00 P.M.

In This Corner with Ray Crandall

One of the busiest men in the Wisconsin Professional Golfers Association championship tournament at Marinette's Little River Country Club this week was Dick Drennen, former Escanaba Country Club pro now at Maple Bluff in Madison. Drennen is secretary-treasurer of the Wisconsin PGA. The tournament was won by Steve Bull of Milwaukee with a record breaking 138 for 36 holes to edge Manuel De la Torre of Milwaukee and Billy Milward of Green Bay who tied for second with 140s.

The Marquette Iron Rangers of the United States Hockey League are on the lookout for Upper Peninsula talent to make their maiden roster in the tough circuit. J. Allen Russell, business manager, announced plans to open a training camp on Nov. 2. Any area players interested in trying for a berth with the Rangers may contact the club through Russell at P.O. Box 25, Marquette.

Rudyard, defending Upper Peninsula Class A-B cross country champion, was defeated by Pickford in a dual clash this week, 19 to 40. John Krzycki of Pickford was the individual winner in 11:06 over the two mile course. DeTour, the U.P. Class C-D champion in 1963, also lost its first start this fall, bowing to Sault Ste. Marie 18 to 45. Gus Piliakas of Soo was the first runner to hit the tape in 11:14.

Ralph Brown, diminutive Menominee bowler who turned out a steady stream of national honor counts last year, has yet to reach the 700 series level this season. But he hasn't been far off. In his first three weeks of league action, Brown has carded 698, 696 and 694 scores.

Dick Berlinski, Kingsford's spectacular senior halfback, has a career scoring total of 284 points. The versatile athlete, who also stars in baseball, basketball and track, has been held scoreless in only one game since his freshmen year, getting blanked by Iron Mountain in 1961. He has reached pay-dirt in 19 straight games since then, and 26 of the 27 in which he has seen action.

Max Peterson, former Gladstone athlete, is serving as assistant football coach at Augustana College where he starred as an athlete before graduating in 1962. Peterson competed in football for three years and tennis for four years at Augustana. He received his masters degree from Minnesota last summer. Peterson will be an assistant in swimming and head golf coach at the Illinois college, in addition to serving as football assistant and instructor in the physical education department.

Dick Berger, veteran Manistique coach and official, is stepping out of his junior varsity coaching position after 16 years but will remain active in officiating circles. Berger has had a hand in developing a long string of outstanding Emerald basketball players through the years.

Winning Coach Is Pessimistic; Loser Pleased

By The Associated Press

As a group, football coaches are notoriously pessimistic. After an upset — and this young college season has produced a flock of them — they can be downright dismal.

But what about the coach of a team that scored a 21-0 triumph in its only outing? Listen to Clay Stapleton of Iowa State University before his conference opener against Oklahoma State.

"We had two very poor practices back to back, and unless our attitude improves, we need not even show up."

On the other hand, there's Hank Foidberg of Texas A&M, which lost 9-6 to Louisiana State last week and is generally picked to finish near the bottom of the Southwest Conference. Hank said he was quite pleased with his team's performance.

The Aggies open the second big weekend of the college season tonight against independent Houston, which has a 1-1 record. Toledo is at Detroit in the only other major Friday night game.

Illinois and Ohio State, picked as two of the top in the Big Ten, open their seasons on the Saturday schedule that includes a surprising number of conference games, surprising for this stage of the season at least.

Four of the elite — Texas, Alabama, Mississippi and Auburn — have conference tests following their impressive opening victories.

Defending national champion Texas, unbeaten in almost two years and a 31-0 victor over Tulane last week, visits Lubbock and an ambitious Texas Tech team that wants to prove it has at least earned its Southwest Conference spurs. The Red Raiders shocked Mississippi State 21-7 in their opener.

That one, like mighty Alabama's home game with Tulane, is at night. Bear Bryant's Crimson Tide, sparked by quarterback Joe Namath, swept over Georgia 31-3 last week and is a top-heavy favorite over Tulane.

Mississippi, ranked No. 1 in

Rapid River Runners Win

RAPID RIVER — The Rapid River Rockets took first place in a three school cross country meet here Thursday with 28 points to 35 for Trenary and 65 for Perkins.

John Stone of Rapid River was the individual winner in 10 minutes 29 seconds for the two mile course. Dave Harwood of Rapid River was second, followed by three Trenary runners, Trotter, Flynn and Lockhart.

Fumbling Phillies Suffer Fourth Straight Setback

By The Associated Press

The Philadelphia Phillies are so anxious to win the National League pennant, they may run themselves right out of it.

The faltering Phillies, hit with some controversial and costly baserunning, saw their league lead dwindle to three games Thursday night with a 5-3 loss to Milwaukee.

The defeat, the Phillies' fourth straight and sixth in seven games, sliced their advantage in the loss column to two over second-place Cincinnati, which was idle. Even St. Louis vaulted into the act, sweeping a doubleheader from Pittsburgh and moving to within 3½ games of Philadelphia.

The running in question struck in the seventh inning with the Braves leading 3-0. With one out, Richie Allen singled, only the second hit off Wade Blasingame, Alex Johnson grounded to Blasingame whose throw pulled Sandy Alomar off second base. Allen, however, slid past the base, and Alomar pounced on him for the out.

Vic Power then hit a dribbler toward third, Johnson raced to second, rounded the base and promptly was thrown out. Ed Mathews to Denis Menke, ending the threat.

The abortive rally appeared

even more important when the Phillies exploded for three runs in the eighth after the Braves got two more in their half of the inning.

But Philadelphia Manager Gene Mauch refused to criticize Allen and Johnson, defending them vehemently instead.

"Allen slides aggressively into second trying to break up the double play and doesn't even know the umpire has called him safe," Mauch argued. "He over-slides the bag and is out. There was no way he could know he was safe, he was so intent on taking out the relay man."

"And Johnson has no way to know that Eddie Mathews won't throw to first on the dribbler. He rounded second figuring to take third and maybe score if Mathews makes a bad throw on a tough play."

Aggressive runners or blunders, the Phillies still were faced with the prospect of holding onto their lead with just eight games left. The Reds have 10, including five starting tonight with the New York Mets, while the Cardinals must play nine.

St. Louis defeated Pittsburgh 4-2 and 4-0 while Chicago nipped Los Angeles 4-3 in the other NL games Thursday. None were scheduled in the American League.

The AL race resumes tonight with the New York Yankees, leading Baltimore and Chicago by a commanding four games, playing at Washington. The Orioles are at Cleveland while the White Sox play at Kansas City. The Yankees have won nine straight.

The Phillies' losing streak equals their longest of the season.

Joe Torre lead the Braves' attack, driving in three runs with two triples. His eighth-inning blast skipped by right fielder Johnny Callison, who tried for a shoestring catch, and

brought home Hank Aaron, who singled, and Mathews, who walked, with the decisive runs.

Callison singled in two runs in the three-run Phillie eighth, but Chi Chi Olivo relieved Blasingame and snuffed out the rally. Jim Bunning suffered his sixth defeat against 18 victories.

Bob Gibson, 17-11, scattered nine hits in the opener, and Ray Sadecki, 19-10, came back with a five-hitter in the second game

Y. A. TITTLE, New York Giants quarterback, tosses the ball in a workout at Yankee Stadium Thursday under the watchful eyes of head coach Allie Sherman, left, and rookie quarterback Gary Woods. Badly bruised about the ribs in last Sunday's game with Pittsburgh, Tittle hopes to be able to play against Washington in New York tonight. (AP Wirephoto)

Pick Packers Over Lions Monday Night

By JACK HANDB

By The Associated Press

Sam Huff's return to Yankee Stadium for a Friday night game with the New York Giants opens a promising weekend of pro football that will end with an unusual Monday night pairing of Green Bay and Detroit.

A full seven-game program in the National Football League and a four-game chart in the American Football League that includes a San Diego at Buffalo match are on the schedule.

Form and football pickers took a horrible beating last week when favorites fell from coast to coast. All of the NFL games could have been turned around in the last two minutes. The old average dropped to 5-7-2 in the NFL and 4-3 in the AFL for an over-all total of 9-10-2. You could do better with a hat pin. But let's try again (all games Sunday unless otherwise noted):

NFL

New York 21, Washington 17 (Friday night) — Battle of the league's two non-winners. Giants need this one so bad it hurts, especially after all the comments about the Huff deal. Rookie Gary Wood gets first start. Redskins are battered with several key men including Sonny Jurgensen below par. The host Giants could do it on the ground.

Baltimore 21, Chicago 14 — A real toughie. The visiting Bears

showed they can move the ball the score last week against Vikings. Colts upset Packers. On

hunch Johnny Unitas will hit Bears' right side with strikes to Raymond Berry, the pick is the Colts.

Cleveland 27, Philadelphia 14 — Eagles probably in over their heads this time. Jim Brown should be ready for a 100-yard day and he just loves that turf at Franklin Field.

Dallas 21, Pittsburgh 21 — The visiting Cowboys' ground game too tough for Steeler defense and Tommy McDonald about due.

St. Louis 24, San Francisco 14 — Cardinals' Charles Johnson should find the holes in 49ers' pass defense. Host San Francisco is hurting with J.D. Smith out of action.

Los Angeles 17, Minnesota 14 — Aches and pains of Bill Brown and Tommy Moran leave the visiting Vikings short of running backs although Brown is expected to play.

Green Bay 17, Detroit 14 (Monday night) — Packers' ground game hurt by absence of guard Jerry Kramer. This will be a rugged one with a field goal by Paul Hornung a possible winner. The host Lions have regular defensive backfield together for first time in a year with return of Night Train Lane.

AFL Buffalo 24, San Diego 21 — Saturday night — The host Bills have explosive ground game with Cookie Gilchrist. Loss of

Wylie's Runners Will See Action

Coach Henry Wylie's Escanaba High School cross country team will compete for the first time this season Saturday morning against Perkins and Norway runners at halftime of the Jayvee football game.

Wylie has three lettermen on his squad of 16, seniors Ray Anderson, Phil Brown and Bob Johnson. Other members of the squad are seniors Rodney Beauchamp and John Vandeville, juniors Tom Duchaine, Dick Johnson, Mike McKie, Tim Peterson, Gary Vandeville and Rick DeWar, sophomores Tom Morin and Bob Swenson and freshmen Rick Anderson, John Vader and George Bonefeld.

Huskies Open Title Defense

HOUGHTON — Michigan Tech will meet its first test in defense of its 1963 Northern Intercollegiate Conference football crown this weekend as all member teams swing into league play.

The Huskies travel to Moorhead, Minn., to face big and rough Moorhead State. Other league action finds Bemidji at Winona and St. Cloud at Mankato.

Tech, under head coach Bill Lucier in his first year as head coach in 1963, won the title with a 4-1 record. The Huskies lost a 7-6 decision to St. Cloud for their only blemish in league play last year.

Michigan Tech will more than have its hands full this Saturday night as they play in the Dragons home lair. Moorhead will field the largest squad in the conference, and Tech will be outgunned all across the field. Coach Dwaine Hoberg's club started slowly losing its first two encounters to strong Concordia and North Dakota State. Hoberg has 22 lettermen back from his 1963 team which posted a 4-4-1 mark. The Dragons have speed, power and a strong passing game.

Tech remained undefeated in 1964 by playing to a 14-14 tie with Ferris State last weekend. The Huskies opened this year's campaign by squeezing out a 7-0 win over Superior State.

Tony Lema, 30, won the British Open golf crown in his first try.

We'd like to throw a little water on the subject of light whiskies

Kessler is one of many light whiskies. Is it yours? Depends on how you feel about water.

If you use water to "kill the taste" of the whiskey, the answer's no. Because Kessler is the light whiskey you can taste under water. Or ice. Or anything else.

Kessler the Smooth As Silk whiskey

Menominee To Tax Income?

MENOMINEE — Alderman Jerome Nesbitt has proposed to the city council that the city create an income tax.

Nesbitt, credit manager for St. Joseph Lloyd Hospital, has proposed that the city investigate possibility of taxing the income of persons from out of the state who are employed in Menominee. This proposal was supported by council.

City Attorney Kenneth O. Doyle, advised council that such a tax would be illegal. He informed the alderman, however, that the 1964 Michigan Legislature passed a uniform municipal income tax law which provides municipalities with authority to institute a city income tax.

Local income taxes in Michigan are now a reality. Since 1962, such taxes have been in effect in the cities of Detroit and Hamtramck. Flint placed such a tax into effect earlier this year and Saginaw has a similar levy scheduled to begin in January of 1965. Many other Michigan cities, including Bay City, Muskegon Heights, Jackson, Kalamazoo, Grand Rapids and Muskegon, all large communities, are now taking a look at the city income tax.

The adoption of local income taxes in Michigan is not an event peculiar to the Wolverine State. The number of local income tax adoptions throughout the United States has grown. Staff members of the Municipal Finance Officers Association estimate that some 1,500 local governments now levy an income tax.

Most municipal income taxes are quite different from the familiar federal income tax. By comparison, they are far less complex. They can be gross earnings or a payroll tax in relation to individuals and a net profits tax in relation to business, the association explained.

The uniform city income tax act in Michigan, passed earlier this year, requires all cities in the state utilizing a local income tax to adopt the uniform taxing ordinance.

The tax base for individuals includes both "earned income" and "income received" (investment income). Residents are subject to the tax on both types of income regardless of its geographical source or origin. Non-residents are subject to the tax on "income received" (investment income) which is related to real and tangible personal property located in the city.

All corporations doing business in the taxing city, whether or not they have an office or place of business in the city, are subject to the tax on such part of their net profits earned as a result of work done, services rendered and other business activities conducted in the city.

When a corporation does not conduct its entire operations in the taxing city then it is necessary to assign or allocate the percentage of its total net profits attributable to operations in the taxing city.

Need Referendum Doyle pointed out the legal problems involved before a city income tax could be enforced for Menominee citizens.

He explained that Detroit has a provision in its charter which provides that a city council cannot pass an income tax "if the city charter does not have that provision in its charter," Doyle stated.

The city attorney said the issue would have to go to a vote of the people to determine if they wanted an income tax. "If council wanted to amend the city charter to pass an income tax it would have to go to the people to change the charter," he said.

Recreation Use Of U.S. Forest Shows In Talks

The increasing recreational use of the federal forests was evident in the talks and discussions of the annual rangers meeting of the staff of the Hiawatha National Forest at Blaney Park Sept. 15-16.

Forest Supervisor Sherwood Trotter called the meeting to review policies and programs involving the multiple use management on the five ranger districts of the forest. The supervisor's Escanaba staff, the district rangers and their foresters and Philip Archibald of the regional Forest Service office in Milwaukee attended.

Speakers included Paul Herick, seminar manager of the University of Michigan, on improving work performance in the Forest Service; Jean Worth, editor of the Escanaba Daily Press on better understanding of public relations; Alex Goldade of Brimley, president of the Michigan Association of Supervisors, on the relationship of the Forest Service and local governments.

Arikpo Etah, a forestry student from Nigeria, spoke on Nigeria's national forest management.

A panel chaired by Floyd Roberts, Munising ranger, developed consensus that planting failures could be reduced by better care of planting stock from the time of its delivery by nurseries.

The panel on control of undesirable use of recreational areas, lakes and streams was chaired by Ronald White, Manistique ranger. It reported that littering is harder to control in streams and other waterways than on campgrounds, which are under more policing and noted that even where there is more public cooperation in the suppression of litter, the problem grows because so many more persons are using the forest recreationally.

Ranger tact was stressed as a better means of gaining public cooperation in the suppression of nuisance than arrest. Vandalism and use of firearms out of season continue as policing problems. The foresters said that cooperation of brewers in labeling to plead for trash receptacle disposal of

beer bottles and cans would be helpful.

Forest signing was reviewed by a panel chaired by Norman Koller, St. Ignace ranger, and stress was given to the encouragement of good signing on private properties within forest boundaries. The forest's own signing problems have been pretty well solved, and encouragement of good taste in private signing will be stressed.

More coordination between agencies was suggested as a means of improving road construction priorities and planning. A question whether the forest is over-designing wildlife flooding structures and spending much money well wait for answer on a report from a study now underway. Engineers this week are looking over waterfowl areas in the Hiawatha Forest. The need for waterfowl nesting areas like Seney, National Wildlife Refuge, but not in such size was acknowledged.

The question of vague clauses in timber sale contracts was reviewed by a panel headed by Ron White and timber sale officers said that contract wording was sometimes deliberately vague to allow leeway of decision on merchantability and double stumpage. The double stumpage charge is made by the forest at its discretion when a cutter fails to cut a marked tree or cuts one which is not marked.

Study of more accurate estimate of recreational use was made by a panel headed by Floyd Roberts. With the charges for camping now being made at the Monocle Lake and Brevort Lake campgrounds it is possible to obtain more accurate counts of users. With campers and picnickers and adequate staffing of recreation areas it is possible to get fairly accurate counts of usage, but estimation of the number of persons gaining general enjoyment of the forest without nose counts at facilities still is difficult.

A panel headed by Richard Ruppenthal of Sault Ste. Marie discussed possibility of replacing forest fire towers of the Hiawatha with aerial detection of fires and it was agreed that this is now possible and can even be done with an economy, but that there should be no fast phasing out of the present tower system.

The foresters reviewed the obligation of the Forest Service regarding personal property taxes and special use improvements. The forest leases cabin sites and there is no real property tax on such establishments, but there can and should be a personal property tax, assessed by local government officers.

Hermansville Fishing Better

Fishing at Hermansville Lake improved the past week with John Duca Sr., catching a 25 inch northern pike that weighed three pounds. Oliver Wood caught a northern weighing four pounds. A number of pike have been caught which are small in size but indicate that fishing next season should be good.

Music Workshop

Mrs. Frank J. Rodman was in Daggett Wednesday afternoon where she attended a class in vocal music with Miss Wanda Cook, Extension specialist of Michigan State University in charge. The instruction specialized in direction and teaching of vocal music. Miss Cook introduced new Christmas carols for the holiday season. Lester Walcutt, Menominee County 4-H Extension agent attended the workshop.

New School Bus Is Purchased At Bark River

BARK RIVER — The Bark River-Harris Board of Education has authorized the purchase of a 1965 60-passenger school bus. The new unit will be a "twin-sister" to bus No. 2 purchased in August of this year. A 1954 48-passenger bus will be retired from service upon the arrival of the new equipment, which is expected to be delivered in December.

The chassis will be supplied by Town & Country Ford of Iron Mountain for \$3,300 and the body will be supplied by Superior Body Works for \$3,200.

The District also entered into an agreement with Town & Country Ford of Iron Mountain for a Driver Education car. Under the agreement, Ford Motor Co. will repurchase the car at its full purchase value at the end of the school year. The result will mean a savings of several hundreds of dollars over last year's leasing program. Superintendent Richard Hendra reported.

Enrollment this year, at 689, is 22 higher than last year. There are 549 students presently enrolled at the elementary school and 140 at the high school. This count could differ between now and Oct. 2 when the official membership count is taken, school officials stated.

Paddle Jamming Halts Operation Of Space Nimbus

WASHINGTON (AP) — The space agency reports that a jamming of the solar paddles has halted operations of the Nimbus weather satellite after it had taken more than 27,000 pictures.

The National Aeronautics and Space Administration said Wednesday that the jamming prevented the paddles from rotating toward the sun and this, in turn, halted use of solar power to recharge batteries that operated Nimbus' electronic equipment.

The anticipated life of the satellite, launched Aug. 28, had been six months. NASA reported that the Syncom 3 communications satellite, hovering above the Pacific in preparation for televising the Olympic Games to the United States from Japan, comes within five seconds of matching exactly the earth's rotational speed.

EXTRA CATTLE & HOG PROFITS OF \$3,047!

New "Thrifty Ritchie" Livestock Book Shows How

\$3,047 extra profits on 100 head of cattle and 200 hogs! Yes, extra profits like these are actually being realized on many modern livestock farms today... when animals get a balanced water ration. Ritchie's new livestock book shows how fresh, clean water, available when animals need it, is the key to peak efficiency in the conversion of feed to meat. "Thrifty Ritchie" Waters work 24 hours a day—automatically. No winter freezes shut... no ice chopping... no no-direction, stagnant water supply. Remember, water is your cheapest feed! Give your animals temperature-regulated fresh water the way they like it—cool in summer and ice-free, pipeline-temperature in the winter—from quality Ritchie Waters. Your choice of 72 different waters in 22 models. Our exclusive business since 1921.

FREE... Colorful New 16 page livestock book. Just off the press. Valuable and profitable reading for every livestock man. Come in and ask for your FREE copy.

LEGAL NOTICES

Radio Station WLST, owned and operated by the Mining Journal Company, Marquette, Michigan, has filed an application for license renewal on July 6, 1964, with the Federal Communications Commission. The application designates the officers of the Company as . . . Frank J. Russell, President; Mrs. Frank J. Russell, Vice President; J. Allen Russell, Second Vice President; . . . Wallace C. Johnson, Secretary-Treasurer. WLST operates on 600 kilocycles with a power output of 1,000 Watts. Radio Station WLST is a daytime station only. The application of this station for a renewal of its license to operate this station in the public interest was tendered for filing with the Federal Communications Commission on July 6, 1964. Members of the public who wish to object to the Commission's attention, facts concerning the operation of the station should be written to the Federal Communications Commission, Washington, D. C., not later than October 14, 1964. Letters should be set forth in detail, the specific facts which the writer wishes the Commission to consider in passing judgment on this application. 1964-1 - Sept. 24, 1964

Gibson Vote Aides Named

Mrs. Marion Gibson, Republican nominee in the 107th Representative District in the Legislature in the Nov. 3 election today announced appointment of Edwin Lindquist, of Newberry, as campaign manager.

Lindquist, who operates the Lindquist Insurance Agency in Newberry, is a former Luce County Republican chairman. He has been a regional officer of the Toastmasters.

Mrs. Gibson announced appointment of a Delta County committee to aid her campaign. The members are Lowell Sundstrom, 210 S. 5th St., chairman; Mrs. Robert Hansley, 1301 8th Ave. S.; Mrs. G. W. Traverse, 417 S. 7th St.; Mrs. Raymond Christensen, 1103 Washington Ave.; Mrs. Robert Owen, 1530 16th Ave. S.; Mrs. Floyd Myrvall, Rte. 1, Escanaba and James Zimmerman, 522 2nd Ave. S.

Mrs. Jean Jaronski, of Sault Ste. Marie will head the Chippewa County committee for Mrs. Gibson. Dr. Robert Hawin, of Manistique will head the Schoolcraft County committee; Mrs. H. E. Krueger, of Newberry will head the Luce County Committee.

Mrs. Gibson said that committees are devoting their first efforts to encouraging voter registration. "If you are not registered you cannot vote," she said "and the deadline on registrations for the Nov. 3 election is Oct. 5.

"The numbers of unregistr-

Powers-Spalding PTA Committee Heads Named

POWERS-SPALDING—The executive members of the Powers Spalding P. T. A. met at the school and made plans for the coming year.

Mrs. Walter Petersen, PTA president has appointed the committee heads as follows: hospitality, Mrs. Roger Stebbins and Mrs. Walter Welch; membership, Mrs. Bernard LeBoeuf and Mrs. Bernice Wiecech; budget manager, Walter Petersen; program chairman, Cipriano Pellegrini and Ray Gardapee; lunch, Mrs. Earl Kell; publicity, Mrs. David Drace.

Vice president is Mrs. Mildred Detzen, Richard Britton is treasurer, and Mrs. Leo Buchcusi is secretary.

Plans were made to hold a tea at the school to be given by the executive committee Tuesday, Sept. 29 at 8 p. m. to welcome and introduce the teachers to the committee.

The first P. T. A. meeting will be held Wednesday Oct. 14, starting with room conferences at 7 p. m. The business meeting will start at 8. The theme for this year is "Building A Child's Tomorrow, Today."

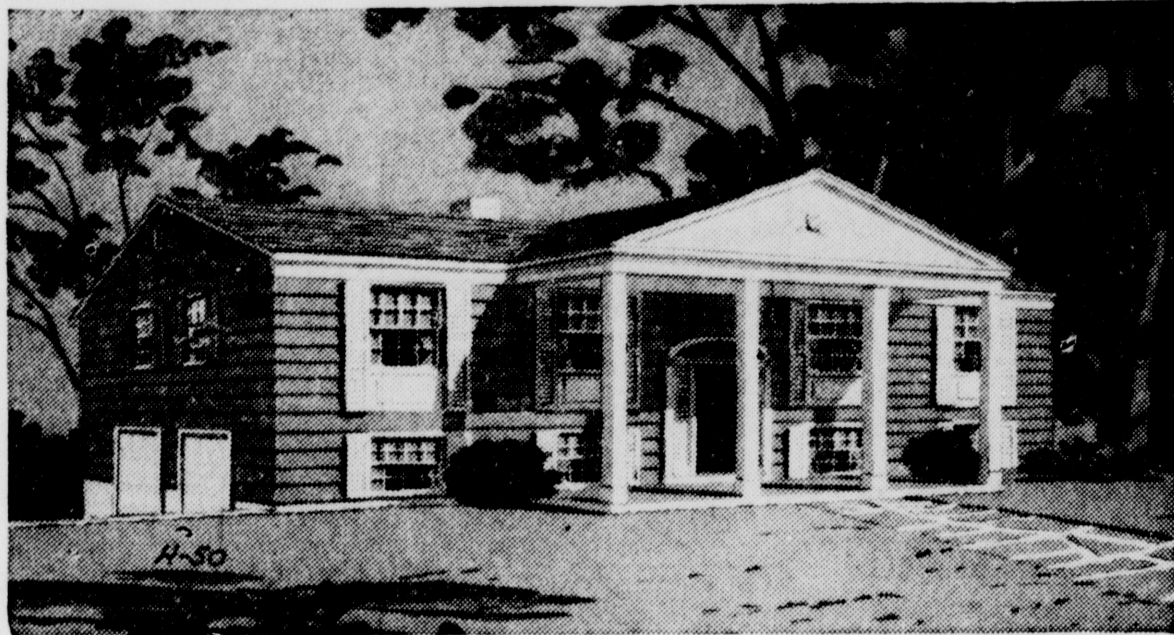

ed voters in the four counties of the 107th District varies from less than 200 in Luce County to more than 7,000 in Delta, but there is a substantial number in all counties. The voters not now registered could determine the election if they were registered."

Portico Sets Off Bi-Level

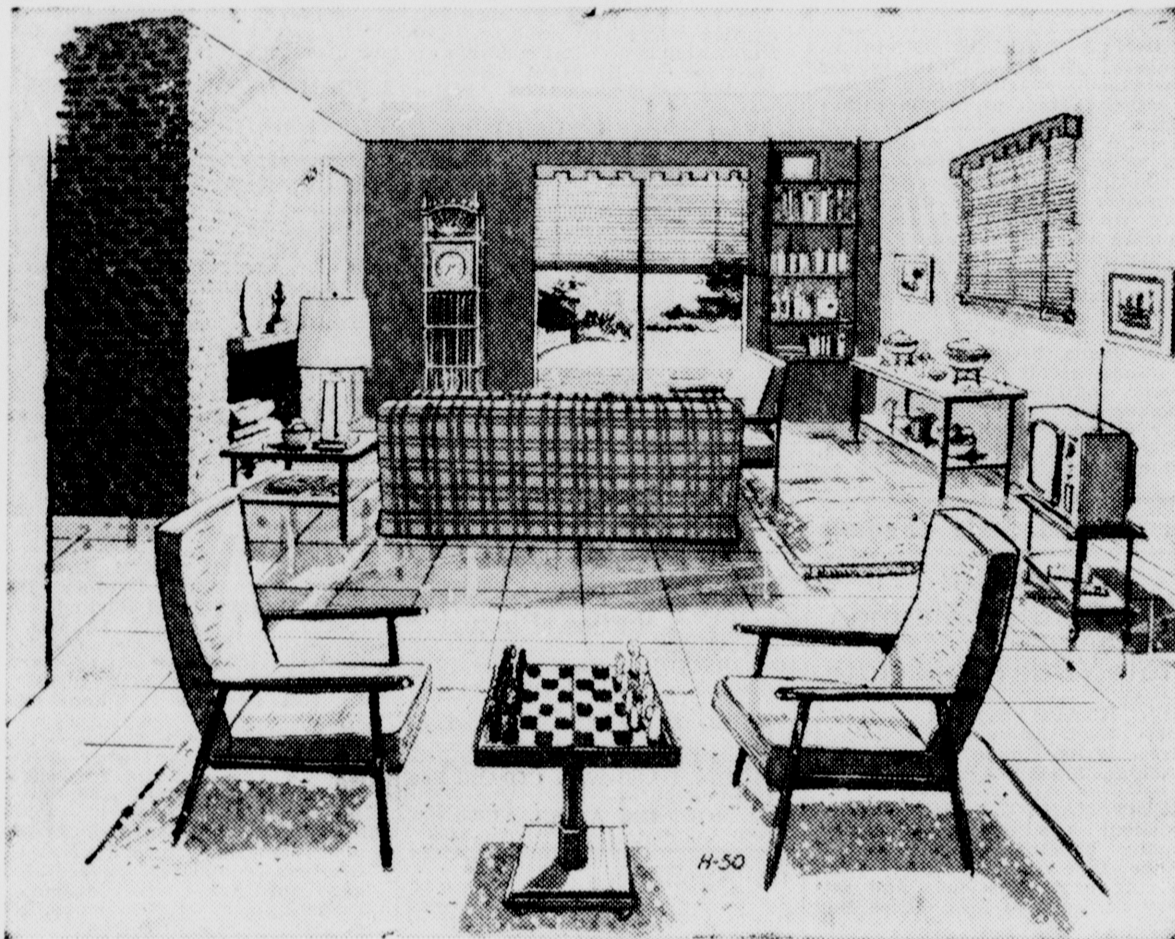

By ANDY LANG

Call it what you will—a raised ranch, high ranch, bi-level or just a house — there's no denying the popularity of the home which has two levels yet keeps all the main rooms on one of them. This type of design eliminates stair climbing in going back and forth between the living-working area and the bedroom wing. But it keeps the utility equipment on a separate level and provides maximum recreation, garage and storage space.

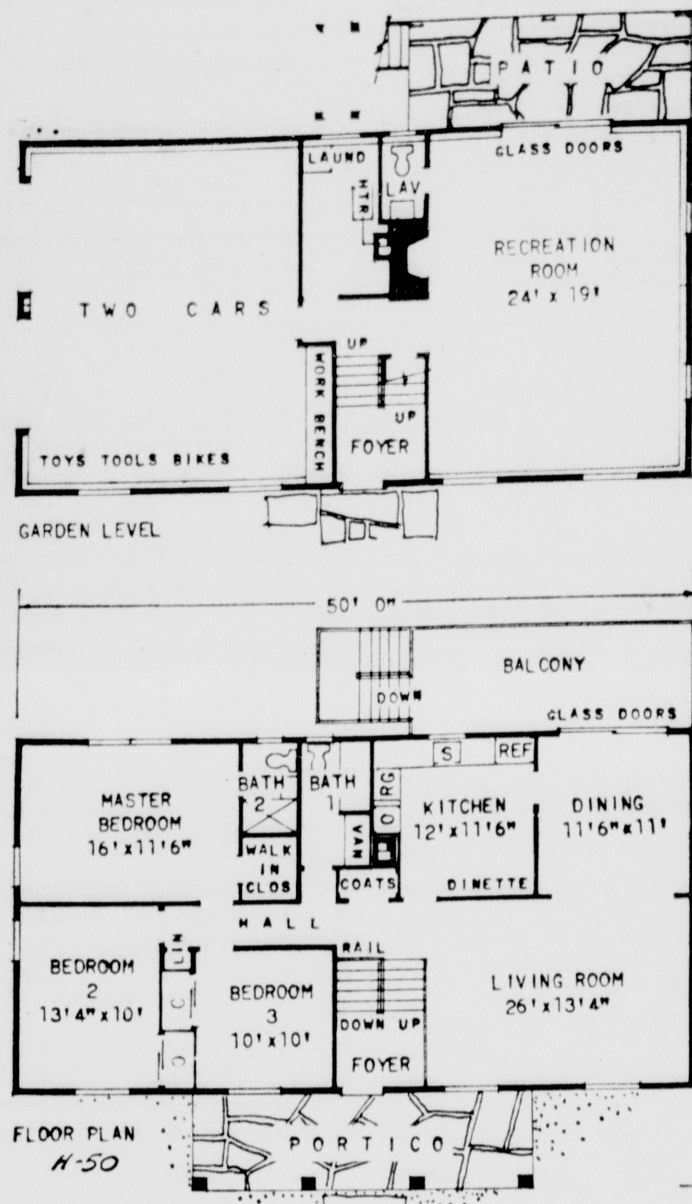

In his wide experience with home-planning families, architect Lester Cohen has found no style with more popular appeal than the bi-level. And since he is so often asked to include a portico as an exterior detail, he has combined this feature in a bi-level to produce the latest House of the Week in this weekly series. The result, Design H-50, is a handsome Colonial, with imposing columns at the front setting off both the horizontal and vertical lines. With over-all dimensions a compact 50' by 41', land costs can be held within a moderate budget range.

PLEASING PORTICO: The stately portico columns give just the right touch to this three-bedroom house, which utilizes the space-saving device of two levels yet keeps all the main rooms on a single floor.

RECREATION DE LUXE: This expansive recreation room has everything a family needs for home enjoyment, including easy access to the rear patio through sliding glass doors.

FLOOR PLANS: The six rooms and two baths on the main floor of this home are augmented by a front portico, an outdoor balcony, a patio and a huge recreation room.

H-50 STATISTICS

Design H-50 has three bedrooms, two bathrooms, a living room, dining room and kitchen, with a square-foot area of 1300 for the main level — not including the front portico and the rear balcony. There are 728 square feet of habitable area on the ground or garden level, excluding the patio and the two-car garage. A 24' by 19' recreation room is the highlight of this floor. The house itself is 50' in width and 26' in depth, with the portico and balcony adding 15' to the depth.

Auto Insurance Profits Shrink

EAST LANSING (AP)—The vast increase in the number seriousness of traffic accidents has made the auto insurance business practically profitless for the last 10 years, an insurance executive said Thursday.

J. H. McCormick, manager of personnel and training for Auto Owners Insurance Co. of Lansing, said companies have been unable to win approval for rate increases large enough and fast enough to break even on auto coverage.

His remarks came in a speech to an insurance women's conference.

Square Dance Sponsored Here By Promenaders

Featured caller for the Saturday evening square dance sponsored by The Promenaders will be Jim Tomasini of Milwaukee, one of the area's leading callers who is much in demand. His popularity has brought him bookings that already extend into the 1956 season in the New England States.

A former resident of Norway, Tomasini and his wife and two daughters, will be guests of the Robert Cappaerts of Soo Hill, who are also formerly of Norway.

Tomasini is a member of the Milwaukee Area Callers Council, which co-hosted the Wisconsin Square Dance Convention this year. The Tomasinis also attended the national convention in Long Beach, Calif.

The dance program here will be at the Teamsters Hall and will begin with a work shop at 8:30, followed by regular square dancing from 9 to 11:30 with several round dances intermingled as programmed by Mr. and Mrs. Larry Vanlerbergh.

Square dancers and spectators of the area are invited to attend. Club members will ballot on the election of officers.

Jim Tomasini

Hermansville

Mr. and Mrs. Robert Jackson of Flint spent the weekend with her brother-in-law and sister, Mr. and Mrs. George Farley Sr. The Jacksons purchased the cottage of Mr. and Mrs. Leonard Schultz on the Vega Road.

Howard Sandercock has returned to Livonia, after spending several days with Mr. and Mrs. George Farley Sr. and with relatives in Iron Mountain.

In Service

PFC Robert W. Miller recently arrived from Korea, to spend a 30-day leave with his parents, Mr. and Mrs. William Miller of Escanaba. He was stationed for one year with the First Cavalry Division and later will be stationed at Fort Lewis, Wash. Miller is a 1961 graduate of the Escanaba High School.
